

## How Can Reentry Providers Improve a Candidate's Chances of Getting Parole?

- Did you know that one of the things the Maryland Parole Commission considers when deciding whether to grant someone early release is the adequacy of the home plan?
- Did you know that PREPARE is providing reentry planning support to parole candidates 6 months ahead of their parole hearings? The bold innovation of PREPARE's work is recognizing that reentry planning can't be left until an incarcerated person is just months from their release date. This has traditionally been the case with reentry planning.
- PREPARE recognizes the "chicken and egg" problem that a candidate won't be granted parole without a robust reentry plan. So, reentry planning needs to happen long before release is an option for them.

As a service provider, you can be part of this solution!

## ABOUT PREPARE

PREPARE: Prepare for Parole and Reentry is a Maryland-based not-for-profit with a mission of empowering people to make their best case for parole and develop strong reentry plans. Our program began in the Maryland Correctional Institution for Women (MCI-W) in 2021. It grew out of the work of Maryjoel Davis, and her organization Second Chance for Women, as well as the work that was already being done by the women in the institution to help themselves and others.

If you are a Reentry Provider interested in partnering with PREPARE, we would love to hear from you. Please contact: [reentry@prepare-parole.org](mailto:reentry@prepare-parole.org).
