This edition contains films ranging from the years 2013 through 2016, with some periodic oldies but goodies mixed in. Like Philip's previous three books, **On the Aisle Volume 4** contains brief and to the point movie reviews that are geared toward the average moviegoer. It is not really written from a critic's perspective but from that of the average viewer. The reviews are simple and easy to understand. What is unique about the book is that it tells the synopsis of the film, then it gives the author's opinion of the film, and then it lets the reader decide whether or not they would like to see the film. The films are rated on a scale of 1 through 5. There are also half-star ratings such as 3.1, 2 stars, VERY GOOD. The contained films are listed in alphabetical order, and for ease of reference, there is also a table of contents.
