

Performances of Research

An abstract painting with a textured, expressive style. On the left, a black fence with vertical bars runs across the foreground. Behind the fence, there are several stylized, blue and green figures that appear to be looking out. To the right of the fence, three orange, silhouette-like figures are walking away from the viewer towards the right. The background is a mix of light blue, green, and yellow washes, suggesting a sky or a distant landscape. The overall mood is contemplative and somewhat somber.
