Propulsion Unit – Pleasure Applications

- **Environmentally friendly** – Satisfies the requirements of IMO Annex VI, marine legislation
- **Most compact package in its class** – Offers boat design flexibility – easier new boat and repower installation
- **Premium engine features for reliability and durability** – Minimises down time and service costs
- **Unrivalled worldwide parts and service network** – Service available wherever you are
- **Lowest cost of ownership in its class** – It pays to compare running costs

Reliability

- High capacity heat exchange equipment with cupro-nickel tube stack ensuring low component operating temperatures for exceptionally reliable and durable operation
- Developed to meet the arduous demands of the marine environment including worldwide cooling and starting requirements
- Gear driven engine and raw water pumps with high quality silicone hoses for the ultimate in reliable cooling and leak-free operation
- An integral plate type oil cooler offers compactness, saving installation space and features a by-pass valve for start up safety
- The Perkins turbocharger wastegate system reduces the maximum cylinder pressure and hence improves reliability and durability

Innovative Performance Specification

- New 'Fastram' combustion system, the latest Bosch rotary fuel pump, wastegated turbocharger system and air intake silencer offer significant improvements in fuel economy, emissions and noise

- The turbocharger wastegate system optimises low speed engine performance providing smoother and faster boat acceleration at planing speed
- Lightweight materials and the use of computer aided design on cylinder block and head provides an excellent power to weight ratio for enhanced boat performance
- Controlled expansion oil cooled pistons with low friction three ring pack and silicone carbide honed cylinder liners give exceptionally low oil consumption, easier cold starting and extended oil change periods

Cost of Ownership

- Competitive engine and parts pricing, extended service intervals and exceptionally low fuel consumption make the M225Ti the best in its class with significant owner savings over alternative engines

Ease of Installation

- Easy access to all routine servicing features in either single or twin installations
- Oil and coolant systems developed to permit a wide range of operating angles both for conventional shaft and vee-drive installations
- Support is available from Sabre Engines Ltd and the Perkins distributor network to advise on all aspects of power, performance and installation

Service

- Perkins unrivalled service network with over 4,000 distributors and dealers provides a fast, effective parts and after market support service
- A genuine top quality warranty package offering a full two year cover for engines operating less than 250 hours per year
- Extended service intervals including a 400 hour or once a season oil change period
