1. PURPOSE

To provide regulations concerning performance appraisal procedures for county employees.

2. SCOPE

This policy affects all Board of Commissioners' Employees. If you have questions regarding this policy, contact Human Resources.

3. POLICY

It is the policy of the County that the job performance of each employee shall be evaluated periodically by the employee's immediate supervisor.

PROCEDURES

A. The performance appraisal consists of a written evaluation of the employee's job performance, the supervisor's documentation and recommendations. It also includes performance goals for the next evaluation period. The appraisal may also be used to identify the employee's training needs.

B. Using the job performance documentation which has been written during the year, the supervisor will rate the employee's performance using the appropriate rating scale based on the appraisal method being used.

C. Performance appraisals shall be completed and submitted based on a timeline distributed by Human Resources. All appraisals are completed near the end of each calendar year.

D. Supervisors are encouraged to keep informal written records of significant events and examples of job performance for the employees under their supervision.

E. Employees who disagree with their appraisal should submit in writing to their supervisor the reason for disagreement. If no change is made after supervisory consideration, the employee may take his/her concerns to the next management level. If the employee remains in disagreement, he/she may take his/her concerns to the department/agency head who is responsible for the final disposition of the appraisal.

F. Progress discussions will be conducted with employees by their supervisors at least once during the rating period.

Performance Appraisal Policy Manual:

Creating and Updating an Employee Policy Manual: Policies for Your Practice American Dental Association, 2016-06-01

This resource helps dental practices develop an office policy manual. Includes sample policies, forms, and worksheets to help craft the perfect policy for your dental employee handbook. With 99 sample dental office policies, sample dental job descriptions, templates for forms, worksheets, and checklists, and explanations of at-will employment. Also offers information on dental staff training including OSHA and HIPAA. Major Dialogues in Performance Appraisal Felicia O. Chukwuneke PhD., 2022-09-01. Appraising performance is an activity that starts from birth and ends in death. It is about life and living. It is life-long experience. It is on-going in all work settings. It is about employee empowerment. It is an intentional act of self-driven activities aimed at achieving identified targets and rewards. When it is truly employee-driven, intentional, and empowering, the exercise becomes reassuring, comforting, and satisfying, irrespective of the work setting or type of worker. Paradoxically, appraisal activities in formal work settings tend to ginger up apprehension, stress, and discomfort. Why so? This book is visualized as a collection of dialogues. Each one represents a focus on the core issues, tools, methods, strategies, policies, and orientation that impact on life-long performance appraisal. **The Health Care Manager's Human Resources**
