Performance Studies Key Words Concepts And Theories:

Performance Studies Bryan Reynolds,2015-01-02 The field of performance studies analyses the production and impact of on stage performance such as in a theatre or circus and off stage performance such as cultural rituals and political protests Performance Studies Key Words Concepts and Theories introduces students to 34 key topics seen as paramount to the future of performance studies in a series of short engaging essays by an international team of distinguished scholars Each essay contributes to the wide ranging adventurous and conscientious nature that makes performance studies such an innovative valuable and exciting field **Performance in the Twenty-First Century** Andy Lavender,2016-05-26

Performance in the Twenty First Century Theatres of Engagement addresses the reshaping of theatre and performance after postmodernism Andy Lavender argues provocatively that after the classic postmodern tropes of detachment irony and contingency performance in the twenty first century engages more overtly with meaning politics and society It involves a newly pronounced form of personal experience often implicating the body and or one s sense of self This volume examines a range of performance events including work by both emergent and internationally significant companies and artists such as Rimini Protokoll Blast Theory dreamthinkspeak Zecora Ura Punchdrunk Ontroerend Goed Kris Verdonck Dries Verhoeven Rabi Mrou Derren Brown and David Blaine It also considers a wider range of cultural phenomena such as online social networking sports events installations games based work and theme parks where principles of performance are in play Performance in the Twenty First Century is a compelling and provocative resource for anybody interested in discovering how performance theory can be applied to cutting edge culture and indeed the world around them Performance

Constellations Marcela A. Fuentes,2019-10-21 Performance Constellations maps transnational protest movements and the dynamics of networked expressive behavior in the streets and online as people struggle to be heard and effect long term social justice Its case studies explore collective political action in Latin America including the Zapatistas in the mid 90s protests during the 2001 Argentine economic crisis the 2011 Chilean student movement the 2014 2015 mobilizations for the disappeared Ayotzinapa students and the 2018 transnational reproductive rights movement The book analyzes uses of space time media communication and corporeality in protests such as virtual sit ins flash mobs scarfazos and hashtag campaigns arguing that these protests not only challenge hegemonic power but are also socially transformative While other studies have focused either on digital activism or on street protests Performance Constellations shows that they are in fact integrally entwined Zooming in on protest movements and art activism in Mexico Argentina and Chile and putting contemporary insurgent actions in dialogue with their historical precedents the book demonstrates how even in moments of extreme duress social actors in Latin America have taken up public and virtual space to intervene politically and to contest dominant powers

Evolution, Cognition, and Performance Bruce McConachie,2015-12-15 Bruce McConachie explores the biocultural basis of performance from the cognitive processes that facilitate it to what keeps us engaged *Time and Performer Training*

Mark Evans, Konstantinos Thomaidis, Libby Worth, 2019-02-08 *Time and Performer Training* addresses the importance and centrality of time and temporality to the practices processes and conceptual thinking of performer training. Notions of time are embedded in almost every aspect of performer training and so contributors to this book look at age aging and children in the training context how training impacts over a lifetime the duration of training and the impact of training regimes over time concepts of timing and the right time how time is viewed from a range of international training perspectives collectives ensembles and fashions in training their decay or endurance Through focusing on time and the temporal in performer training this book offers innovative ways of integrating research into studio practices It also steps out beyond the more traditional places of training to open up time in relation to contested training practices that take place online in festival spaces and in folk or amateur practices Ideal for both instructors and students each section of this well illustrated book follows a thematic structure and includes full length chapters alongside shorter provocations Featuring contributions from an international range of authors who draw on their backgrounds as artists scholars and teachers *Time and Performer Training* is a major step in our understanding of how time affects the preparation for performance Chapter 16 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons CC BY 4.0 license

Church Music Through the Lens of Performance Marcell Silva Steuernagel, 2021-03-14 This book is an investigation into church music through the lens of performance theory both as a discipline and as a theoretical framework Scholars who address religious music making in general and Christian church music in particular use performance in a variety of ways creating confusion around the term A systematized performance vocabulary for the study of church music can support interdisciplinary investigations of Christian congregational music making in today's complex interconnected world From the perspective of performance theory all those involved in church musicking are performing be it from platform or pew The book employs a hybrid methodology that combines ethnographic research and theory from ritual studies ethnomusicology theology and church music scholarship to

establish performance studies as a possible next step in church music studies It demonstrates the feasibility of studying church music as performance by analyzing ethnographic case studies using a developmental framework based on the concepts of ritual embodiment and play change This book offers a fresh perspective on Christian congregational music making It will therefore be a key reference work for scholars working in Congregational Music Studies Ethnomusicology Ritual Studies and Performance Studies as well as practitioners interested in examining their own church music practices

The Philosophy of Matter Rick Dolphijn, 2021-07-15 The Philosophy of Matter is a journey in thinking through the material fate of the earth itself its surfaces and undercurrents ecologies environments and irreparable cracks With figures such as Spinoza Gilles Deleuze and Michel Serres as philosophical guides and writings on New Materialism Posthumanism and Affect Theory as intellectual context Rick Dolphijn proposes a radical rethinking of some of the basic themes of philosophy subjectivity materiality body both human and otherwise and the act of living This rethink is a work of imagination and meditation in order to conceive of another earth for another people It is a homage to courageous thinking that dares to question the religious capitalist and humanist realities of the day A poetic philosophy of how to live in troubling times when even the earth beneath us feels unstable Dolphijn offers a way to think about the world with depth honesty and glimpses of hope

Theatre and Voice Konstantinos Thomaidis, 2017-09-16 How can we rethink the importance of voice in performance How can we understand voice simultaneously as music and text as sound and body or as both personal and political This book explores voice across genres media and cultures inviting the reader to reassess established ways of analysing enjoying and listening to voice Using a wide range of case studies integrated with critical and philosophical frameworks it makes audible the multiple ways in which voice contributes to how we perform identities From opera and musical theatre to live art and immersive audio walks Konstantinos Thomaidis presents voice as plural elusive and ripe for reinvention

Intermedial Theater Bryan Reynolds, 2017-04-06 This book explores relationships between intermedial theater consciousness memory objects subjectivity and affect through productive engagement with the performance aesthetics socio cognitive theory and critical methodology of transversal poetics alongside other leading philosophical approaches to performance It offers the first sustained analysis of the work of Gilles Deleuze Félix Guattari Jean Baudrillard and Friedrich Nietzsche in relation to the contemporary European theater of Jan Lauwers and Needcompany Romeo Castellucci and Societas Raffaello Sanzio Thomas Ostermeier Rodrigo García and La Carnicería Teatro and the Transversal Theater Company It connects contemporary uses of objects simulacra and technologies in both posthumanist discourse and postdramatic theater to the transhistorically and culturally mediating power of Shakespeare as a means by which to discuss the affective impact of intermedial theater on today's audiences

Islam and Popular Culture Karin van Nieuwkerk, Mark LeVine, Martin Stokes, 2016-04-12 Popular culture serves as a fresh and revealing window on contemporary developments in the Muslim world because it is a site where many important and controversial issues are explored and debated Aesthetic expression has become intertwined with politics

and religion due to the uprisings of the Arab Spring while at the same time Islamist authorities are showing increasingly accommodating and populist attitudes toward popular culture. Not simply a westernizing or secularizing force as some have asserted, popular culture now plays a growing role in defining what it means to be Muslim. With well structured chapters that explain key concepts clearly, *Islam and Popular Culture* addresses new trends and developments that merge popular arts and Islam. Its eighteen case studies by eminent scholars cover a wide range of topics such as lifestyle, dress, revolutionary street theater, graffiti, popular music, poetry, television, drama, visual culture, and dance throughout the Muslim world from Indonesia, Africa, and the Middle East to Europe. The first comprehensive overview of this important subject, *Islam and Popular Culture* offers essential new ways of understanding the diverse religious discourses and pious ethics expressed in popular art productions, the cultural politics of states and movements, and the global flows of popular culture in the Muslim world. *The Return of Theory in Early Modern English Studies, Volume II* P. Cefalu, G. Kuchar, B. Reynolds, 2014-10-14 This companion volume to *The Return of Theory in Early Modern English Studies* Tarrying with the Subjunctive exemplifies the new directions in which the field is going as well as the value of crossing disciplinary boundaries within and beyond the humanities. Topics studied include posthumanism, ecological studies, and historical phenomenology. **Intercultural Acting and Performer Training** Zarrilli Phillip, T. Sasitharan, Anuradha Kapur, 2019-05-24 *Intercultural Acting and Performer Training* is the first collection of essays from a diverse international group of authors and practitioners focusing on intercultural acting and voice practices worldwide. This unique book invites performers and teachers of acting and performance to explore, describe, and interrogate the complexities of intercultural acting and actor/performer training taking place in our twenty-first century globalized world. As global contexts become multi-inter and intra-cultural, assumptions about what acting is and what actor/performer training should be continue to be shaped by conventional modes, models, techniques, and structures. This book examines how our understanding of interculturalism changes when we shift our focus from the obvious and highly visible aspects of production to the micro level of training grounds, studios, and rehearsal rooms where new forms of hybrid performance are emerging. Ideal for students, scholars, and practitioners, *Intercultural Acting and Performer Training* offers a series of accessible and highly readable essays which reflect on acting and training processes through the lens offered by new forms of intercultural thought and practice. *Woke Shakespeare: Rethinking Shakespeare for a New Era* Ian McCormick, 2025-06-07 Shakespeare's plays have always been embroiled in political and cultural debates. From the Elizabethan/Jacobean stage to modern classrooms, his works provoke conversation, challenge conventions, and ignite controversy. Nonetheless, Shakespeare's central position in the traditional cultural establishment is facing renewed scrutiny as some critics start to question whether his works should still occupy a prime position on the syllabus and the stage. Debates about woke ideology, emerging in part out of the earlier culture wars, have stimulated renewed interest in the role of various schools of critical enquiry ranging from feminism and gender to queer theory, postcolonialism, and race to cultural

materialism global studies to eco criticism social class to social justice The essays in this new collection provide a forum for more diverse voices and debates seeking to explore how to engage with modern social and political issues in transformative ways How can we navigate new thinking about the struggle for social justice while reimagining Shakespeare's role in a rapidly changing political cultural landscape How does Shakespeare's work intersect with modern political anxieties such as the politics of woke and cultural panic In terms of rethinking identity and human agency what do Shakespeare's characters reveal or obscure about today's debates on race gender and social justice With regard to censorship safety and emancipation how should educators approach potentially sensitive content in a way that respects both free speech and inclusivity To what extent does working with Shakespeare involve global perspectives and postcolonial insights that might contribute to decolonizing the curriculum How do new platforms social media conversations and digital adaptations shape our engagement with Shakespearean texts Featuring feminist reinterpretations queer temporalities global perspectives and postcolonial adaptations appropriations **WOKE SHAKESPEARE** challenges readers to reconsider Shakespeare's current contribution to twenty first century culture It is an essential resource for educators performers and scholars who wish to grapple with Shakespeare's contested legacy and explore innovative approaches to his works in an era of political struggle and social transformation Whether embracing resisting or reinterpreting woke ideologies this book aims to foster a civilized and critical dialogue about Shakespeare's enduring influence in a world that is constantly redefining itself in line with controversial new ideas about social justice

The Routledge Handbook of Shakespeare and Global Appropriation Christy Desmet, Sujata Iyengar, Miriam Jacobson, 2019-08-28 The Routledge Handbook of Shakespeare and Global Appropriation brings together a variety of different voices to examine the ways that Shakespeare has been adapted and appropriated onto stage screen page and a variety of digital formats The thirty nine chapters address topics such as trans and intermedia performances Shakespearean utopias and dystopias the ethics of appropriation and Shakespeare and global justice as guidance on how to approach the teaching of these topics This collection brings into dialogue three very contemporary and relevant areas the work of women and minority scholars scholarship from developing countries and innovative media renderings of Shakespeare Each essay is clearly and accessibly written but also draws on cutting edge research and theory It includes two alternative table of contents offering different pathways through the book one regional the other by medium which open the book up to both teaching and research Offering an overview and history of Shakespearean appropriations as well as discussing contemporary issues and debates in the field this book is the ultimate guide to this vibrant topic It will be of use to anyone researching or studying Shakespeare adaptation and global appropriation

Politics of Practice Lynette Hunter, 2019-10-17 This book discusses affective practices in performance through the study of four contemporary performers Keith Hennessy Ilya No Caro Novella and duskin drum to suggest a tentative rhetoric of performativity generating political affect and permeating attempts at social justice that are often alterior to discourse The first part of the

book makes a case for the political work done alongside discourse by performers practising with materials that are not known in ways that are directly relevant to people carrying out their daily lives In the second part of the book four case study chapters circle around figures of irresolvable paradox hendiadys enthymeme anecdote allegory that gesture to what is not known to study strategies for processes of becoming knowing and valuing These figures also shape some elements of these performances that make up a suggested rhetorical stance for performativity ECGBL 2019 13th European Conference on Game-Based Learning

Lars Elbæk, Gunver Majgaard, Andrea Valente, Saifuddin Khalid, 2019-10-03 **Traumatic Storytelling and Memory in Post-Apartheid South Africa** Christopher J. Colvin, 2018-12-14 This book explores the practice of traumatic storytelling that emerged out of the South African Truth and Reconciliation Commission and came to play a key role in the lives of the members of the Khulumani Support Group for victims of apartheid era political violence Group members found traumatic storytelling both frustrating and yet also an important form of memory work that shaped how they saw themselves in the post apartheid era Drawing on ethnographic fieldwork the author examines how traumatic storytelling functioned not only as a kind of psychological healing and national political theatre but also as a potent form of social relation economic exchange political activism and expressive practice With emphasis on the personal social and political significance of the act of traumatic storytelling this volume asks why members of Khulumani despite their many disappointments continued to engage intensively in storying their experiences for themselves and others Examining what powers storytelling held for both group members and their witnesses and considering the ways in which storytelling enabled new senses of self and new understandings of what was possible in the years after the end of apartheid this book considers what we might learn more broadly from the experiences of Khulumani about the possibilities and limits of traumatic memory making as an instrument of personal social and political repair As such it will appeal to scholars of sociology anthropology and criminology with interest in justice and post conflict societies **African Modernity and the Philosophy of Culture in the Works of Femi Euba** Iyunolu Osagie, 2017-06-05 This book is a significant and original contribution to the ongoing conversation on modernity It uses the creative and critical works of Nigerian playwright and novelist Femi Euba to demonstrate the place and function of African cultures in modernity and makes the case for the vibrancy of such cultures in the shaping and constitution of the modern world In addition to a critique of Euba's fifty year artistic career this book offers an account of Euba's formative relationship with the 1986 Nobel Prize for Literature winner Wole Soyinka during the promising days of the Nigerian theatre in the immediate post independence period and the effect of this relationship on Euba's artistic choices and reflections Euba contributes to our understanding of Africa's negotiation of modernity in significant ways especially in his sensitive reading of Esu the Yoruba god of fate and chance as an artistic consciousness whose historical and ideological mobility during New World slavery during Africa's colonial period and in the manifestations in the black diaspora today emblemizes the process we call modernity By using ritual myth and satire as avenues to the debate on

modernity Euba lays emphasis on the transformative possibilities at the crossroads of history His works engage the psychological interconnections between old gods and new worlds and the dialogic relationship between tradition and modernity Delineating the philosophical and literary debates that reject an easy division between a stereotypically traditional Africa and a modern West the author shows how Euba s plays and novel engage the entwined and intimate relationships between the modern and the traditional in contemporary Africa and thereby she asserts the global resonance of Euba s African and specifically Yoruba conception of the world By meticulously collecting cataloguing and critiquing Euba s works Osagie models a new way of practicing African literary studies and invites us to glimpse narrative genius on the continent that she firmly believes African scholars should both promote and celebrate
