Run, Run Rudolph: A Christmas Romantic Comedy Romantasy Jean Oram, 2025-09-11 Christmas is the best time of the year except when you accidentally hit Rudolph with your car I've had a year I've moved back home Given my ex a second chance And failed And now I'm slowly caving like a wedding cake left out in the rain under my mother's pressure to hurry up and marry Someone Anyone Before all the good ones are gone Small town living at its best right Well one good man isn't gone yet Unfortunately this hunky veterinarian has a county wide fan group blowing up his phone with fake animal emergencies Oh and Haden's also my ex boyfriend's older brother Totally off limits But when I run over Rudolph totally not my fault as he was out playing reindeer games before his big night of guiding Santa's sleigh through a huge Canadian blizzard Haden is the only one I can think to call But will he be able to see Rudolph's nose too Or will he think I'm as crazy as the rabid women leading his fan group And what will happen to us both when we interact cough cough and kinda interfere cough cough with the magical world just before its most important date of the year A small town age gap ex boyfriend's brother Christmas romance that is a romantic comedy and also paranormal ish but don't forget it's also a sweet closed door romance that's also light romantasy Whew Yeah It's got all the things And also set in Canada eh So grab your toque and let's read Toque n tooook A warm knitted cap in Canadian speak You know a toque so you don't freeze your noggin

The Global ISBN Handbook Azhar ul Haque Sario, 2025-10-30 Have you ever wondered why that 13 digit number on the back of a book costs 125 in the United States but is completely free in Canada and India This book The Global ISBN Handbook is your 2025 guide to the International Standard Book Number It explains everything about this global fingerprint for books The ISBN is the most important cornerstone of the publishing industry It started as a simple warehouse tool in the 1960s Now it is a complex digital identifier used in over 200 countries This handbook deconstructs the entire system It uses 15 distinct national case studies to do this You will learn how the old 10 digit system changed to the new 13 digit one We break down the five parts of the ISBN from the Bookland prefix to the final check digit The book explores the global governance framework starting with the International ISBN Agency Then it dives deep into how different countries run their systems You'll see the privatized high cost model in the United States You'll compare it to Canada's free government run system We explore the industry led models in Brazil and Germany We look at government run systems in Mexico and India We even cover the unique case of China where the ISBN is not a simple identifier but a state controlled publication license The book also examines the systems in the UK France Russia Japan Australia South Africa Nigeria and Egypt Many books and websites can tell you how to get an ISBN This handbook is the only resource that explains why the process is so different everywhere you look It moves beyond a simple how to and provides a

true global analysis It directly compares the privatized for profit models in the US and UK against the free public good systems in Canada and South Africa You won't just learn the price you will understand the cultural policies market structures and legal philosophies that shape that price This book shows how the ISBN is a global mirror It reveals how a simple number can be a commercial product in one nation a tool of cultural policy in another and an instrument of state control in a third This comparative insight is the missing piece for any author publisher or researcher trying to navigate the complex international publishing market Disclaimer This handbook is an independently produced resource for commentary and analysis The author has no affiliation with the International ISBN Agency R R Bowker Library and Archives Canada the National Press and Publication Administration or any other national ISBN agency This work is independently produced under the principle of nominative fair use
