heroin's forbidden tension and enemies to lovers fire this is your next obsession **Sit Pretty** R. J. Price, 2015 All Aren wanted was a cottage on a lake Instead she was taken by the throne forced into being the figurehead of palace lands She is not content being a puppet to those who would attempt to manipulate her Few people if any know how far its influence truly stretches Their people's history is long and this dark era has stretched back so far that no one recalls how it started or how to deal with a queen strong enough to force the court to her bidding Summoned by events that count not possibly have been forged by mortal hands Aren's parents arrive at court A few days later not one but all four barons arrive Between Aren's parents plotting and the secrets kept by the barons Av is pressured into behaving in the name of forging political alliances All neglect to ask a simple question What does Aren want And how many hints will the throne give before it purges the whole court The Price We Pay AURYN. HADLEY, 2025-04-19 Everyone wants to give in to temptation but no one wants to pay the price I was a child when my father surrendered me to the Temple of All Gods No one gave me a choice No one even bothered to explain I was simply tossed aside unwanted That was the day the God of Temptation claimed me as his Now I'm studying how to become the perfect priestess Life in the temple means embracing my emotions and learning to harness each type of desire Power fear lust and rage are the most common but not the only ones Each has a power Each has its place I just have to figure out which kind of priestess I'll become Before I decide I have questions yet no one seems willing to give me answers My only option is to leave it in my god's hands This won't be easy and my instructors think I'm a fool but Temptation has been listening Asking Offering it all In exchange he intends to use me I have demands The priest and priestess who took me in have become my family The guys They taught me to love How am I supposed to give this up Why should I Not even a god can make me walk away from them All I have to do is stand my ground In this temple there's always a temptation The question is if I'm stubborn enough to resist Or brave enough to pay a god's price
