This table provides repayment estimates — including monthly payment, number of payments and total interest costs — for Stafford and PLUS loans. Estimates are based on the current interest rates for loans with a first disbursement between July 1, 2013, and June 30, 2014, including Stafford loans to undergraduates (3.86%), Stafford loans to graduate and professional students (5.41%) and PLUS loans (6.41%). Estimates also are provided for the maximum interest rates permitted by law on Stafford loans to undergraduates (8.25%), Stafford loans to graduate and professional students (9.5%) and PLUS loans (10.5%).

The table is based on these assumptions:

- Figures are based on the standard repayment option — equal monthly installments over a period of up to 120 months.
- Because the minimum monthly payment required under a standard repayment plan is \$50, certain loan balances will be repaid in less than 120 months.
- Payments and interest amounts are rounded to the nearest dollar.
- These figures are designed as estimates to provide you with a general idea of payments and total interest costs. Your actual payment and interest amounts may vary from these figures.

- Although repayment examples are provided for loan balances up to \$20,000, annual and lifetime limits on Stafford loans restrict the amounts students may borrow.
- To estimate payments and total interest costs for other loan balances, interest rates and other repayment options, use USA Funds Student Loan Repayment Calculator at calculator.usafunds.org.
