High Yield Savings On Sale:

Foreign Military Sales and U.S. Weapons Costs Sheila Kean Fifer, United States. Congressional Budget Office, 1976

The Savings and Loan Crisis James R. Barth, S. Trimbach, Glenn Yago, 2006-04-11 Robert L Bartley Editor Emeritus The Wall Street Journal As this collection of essays is published markets regulators and society generally are sorting through the wreckage of the collapse in tech stocks at the turn of the millennium All the more reason for an exhaustive look at our last bubble if that is what we choose to call them We haven't had time to digest the lesson of the tech stocks and the recession that started in March 2001 After a decade though we're ready to understand the savings and loan bubble that popped in 1989 preceding the recession that started in July 1990 For more than a half century we can now see clearly enough the savings and loans were an accident waiting to happen The best insurance for financial institutions is diversification but the savings and loans were concentrated solely in residential financing What's more they were in the business of borrowing short and lending long accepting deposits that could be withdrawn quickly and making 20 year loans They were further protected by Regulation Q allowing them to pay a bit more for savings deposits than commercial banks were allowed to In normal times they could ride the yield curve booking profits because long term interest rates are generally higher than short term ones

This world was recorded in Jimmy Stewart's 1946 film *It's a Wonderful Life* **United States Savings Bonds Program**

United States. Congress. House. Committee on Ways and Means, 1981 **The Truth in Savings Act** United States.

Congress. Senate. Committee on Banking, Housing, and Urban Affairs. Subcommittee on Consumer Affairs, 1987 **Bonds**

Hildy Richelson, Stan Richelson, 2011-08-15 Updated edition of the established classic on investing in bonds In *Bonds The Unbeaten Path to Secure Investment Growth* Second Edition the fully revised and updated edition of the classic guide to demystifying the bonds market veteran investor husband and wife team Hildy and Stan Richelson expose the myth of stocks superior investment returns and propose an all bond portfolio as a sure footed strategy that will ensure positive returns Designed to educate novice and sophisticated investors alike as well as to serve as a tool for financial advisers the book explains why and when bonds can be the right choice Case studies detailed bond strategies and a financial planning overview bring home the value of bonds in achieving financial goals Presenting a broad spectrum of bond investment options and describing how to purchase bonds at the best prices the book shows how to make real money by investing in bonds The strategies presented here are designed to help the reader determine how to use bonds to take control of their own financial destiny New edition includes information on corporate bonds emerging market bonds municipal bonds the new global ratings and how to protect against municipal defaults Looks at how bond portfolios protected against market volatility in the 2007 2008 crash and how they can do the same in the future Includes information on how the bond market has changed The wealthiest investors and financial advisers use the bond strategies outlined in this book to maximize the return on their portfolios while providing security of principal With more bond options available than ever before Bonds continues to be a
