The best book I've read this year The characters were great I got really invested in them and the storyline was gripping Please write more Reader Review An outstanding cozy mystery based in the idyllic village of Inkbury a beautiful location famous for its glittering river unspoilt and clear A brilliant cozy that has the perfect balance of mystery and comedy loved it Reader Review A great cosy mystery Reader Review Loved this Very clever cosy with great diverse characters Thoroughly engaging and very much looking forward to the next in the series Reader Review A delightfully cosy read the main characters are fun and engaging Having read the author's back catalogue to be reunited with Juno Phoebe and Felix is absolute fabulous The mystery at the centre of the book foxed me until the very end and unfolded in a very natural way I really hope there is more to come from the Village Detectives An entertaining read Reader Review *A Mythical Case of Theft* Melissa Erin Jackson, 2025-05-10 When feathers appear danger is near Deandra's grandparents January and Morris Eyre are hosting a fundraising auction at the Mermaids Club While they're no strangers to auctions they've never hosted one with a guest list this moneyed or with items this rare The revenue from the event is sure to pull in a nice chunk of change for the much needed renovations of the local library but the lure of the self-igniting phoenix feather is also pulling in unscrupulous individuals A multimillionaire in the talisman industry and the owner of a company with a shady past has his sights set on the feather When his invite to the high profile event is rescinded Duncan Bettencourt works to discredit the Eyres by blasting flagrant half truths across his popular social media page His cornerstone claim is that the small philanthropic club doesn't have the resources necessary to pull off such an event When the phoenix feather goes missing Bettencourt jumps at the chance to scream I told you so from virtual rooftops With renewed purpose Bettencourt uses his online clout gobs of money and pure spite to relentlessly torment the Eyres Deandra and Wendy must once again don their sleuthing caps this time to help their grandparents track down a thief Because the missing feather isn't only rare it's potentially dangerous Under the right conditions the self-igniting feather could be crafted into a bomb The cousins must locate the feather before it falls into the wrong hands not just for their grandparents' sake but for Axia's Cocoa, Clues, and Creepy Crawlies Morgana Best, This book is based on Morgana Best's 2017 book *Chocolate To Die For* and has been extensively rewritten Narel calls a plumber to fix the outdoor bathroom behind her chocolate shop she never expects her best friend Lettie will be a suspect in the murder The initial suspect A deadly redback spider But when tests reveal the bite was a red herring the real mystery begins to unfold Soon the police are stirring up trouble uncovering a bitter exchange of emails between Lettie and the victim As Narel digs deeper she discovers the plumber left a trail of sour customers and none of them had anything sweet to say about his work But when Narel uncovers a secret Lettie has been keeping tightly wrapped everything changes With her best friend now the prime suspect can Narel solve this murder before the situation becomes too sticky
