

Advanced Dungeons & Dragons

MONSTROUS COMPENDIUM® Annual Volume One

They're back! Virtually all of the monsters that appeared in TSR's 1993 AD&D® product line, plus many of those that appeared in the 73 issues of *Dungeon*®, *Draconomicon*®, and *Pocket Monsters*® Magazines, are brought together in this first release in an annual series of *Monstrous Compendium* supplements.

This book is crawling with more than 100 denizens of the land, sky, sea, and underworld, waiting to creep into the next adventure. Creatures within these pages have appeared in the *Forgotten Realms*® campaign setting, the *Az-Qoon*® world of adventure, the *Ravenloft*® world of horror, the *Draak Sun*® game world, and even the Outer and Inner Planes, but they've all been reorganized, updated, and edited so they can be used in any campaign. An introduction explaining how to breathe life into random encounters is included too.

Every illustration is brand new and presented in full color, so these monsters are more lifelike than ever before! This is a must-have item for all serious *Dungeon Masters*.
