Moors Moabite And Man Reflection And Redemption:

Moor's, Moabite and Man Bandele A. El-amin, 2013-12 Moor s Moabite and Man is a book designed to assist conscious people learning about Moorish understanding and how to use Moorish nationality How to get rid of Social Security number create your own strawman and how to be a Moor is society **The Aliites** Spencer Dew, 2019-08-20 Citizenship is salvation preached Noble Drew Ali leader of the Moorish Science Temple of America in the early twentieth century Ali s message was an aspirational call for black Americans to undertake a struggle for recognition from the state one that would both ensure protection for all Americans through rights guaranteed by the law and correct the unjust implementation of law that prevailed in the racially segregated United States Ali and his followers took on this mission of citizenship as a religious calling working to carve out a place for themselves in American democracy and to bring about a society that lived up to what they considered the sacred purpose of the law In *The Aliites* Spencer Dew traces the history and impact of Ali s radical fusion of law and faith Dew uncovers the influence of Ali s teachings including the many movements they inspired As Dew shows Ali s teachings demonstrate an implicit yet critical component of the American approach to law that it should express our highest ideals for society even if it is rarely perfect in practice Examining this robustly creative yet largely overlooked lineage of African American religious thought Dew provides a window onto religion race citizenship and law in America The Moabites who are the Moors Sheik Way-El, 2017-06-04 The Moors are descendants of the ancient Moabites For many years this claim made by Prophet Noble Drew Ali founded of the Moorish Science movement in America was laughed at and scoffed at The thoughts of Moab strictly being confined to a people invented by the biblical codex writers seemed absurd and rather obscure However Noble Drew Ali was not linking the people falsely called Black to a biblical people instead he was linking them to a historical people whom the bible mentions in a distorted way within its texts From here the plan of these seeking racism and oppression via their Bibles become clear especially here in America This book squashes all doubt about the Moors of America also called African Americans and their connection to the ancient Moabites **Man of the Moors** Crichton Porteous, 1954
