is now manifesting as acts of gross human rights violations and crimes against humanity perpetrated by States that are democratic governments as well as States that are operating religious nationalism with a menace to the peace and security of the international committee is watched with passive interest by those who are yet to be affected Whether it is the United States leading NATO to invade and destroy Libya and render its citizens victims of gross human rights violations or Russia invading Ukraine in a war of intentional act of aggression and human rights violations or the Taliban in Afghanistan stripping off the women and girls of Afghanistan of their human rights the threat to the International Community should be a matter of concern for all The United Nations Security Council and General Assembly have a responsibility to devise a means of attending to these threats under the provisions of its Charter Accessions List, Eastern Africa Library of Congress.
