More Catholic Tales For Boys And Girls:

Catholic Tales for Boys & Girls Caryll Houselander, 2002-12-15 Tales about Catholic children to form your own little ones in holy wisdom and piety Caryll Houselander is best known for the intensity of her vision of the suffering Christ and His immeasurable love for us a theme that she frequently spoke of with breathtaking luminosity in her many books about Him Few know however of the many remarkable stories she wrote for Catholic children delightful tales that are simple but not shallow Indeed like her books for adults they manifest a tender love of Christ and His little ones not commonly found among us these days Here are twelve of Houselander's best tales charmingly illustrated with Ren e George's lively drawings of pirates and princesses castles and kings Through the tale of Jack and Jim even young children will grasp the meaning of Christ's suffering in Racla the Gypsy they'll discover the charity which is at the heart of the Eucharist in the The Cur's Guest they'll see how Christ makes up for the sins of others All the stories touch on Catholic themes but these tales are not really catechetical Yes they do take for granted that Catholicism especially prayer and the Mass plays a large role in the lives of these children but they do something more and more important Tale after tale introduces children to the tender love that Jesus has for each of them and to the fire of love for Him that can burn in the hearts of Catholics even in the hearts of little ones like themselves There is no better gift you can give to a young child Read an excerpt **More Catholic Tales for**

Boys and Girls Caryll Houselander, 2003 Age Range 4 and up Caryll Houselander's delightful stories of princes and gypsies bishops bears and Catholic boys and girls remind us that evil is never a match for goodness Catholic Tales for Boys and Girls Caryll Houselander, 2002-12-15 **The Blessed Virgin Mary in England** Anthony Josemaria, FTI, 2008-11-10 O Blessed Confidence O Safe Refuge Mother of God and Our Mother St Anselm of Canterbury 1033-1109 Doctor of the Church What is not generally known and only infrequently studied is the role of Our Lady over the centuries as a catechist teacher of the faith in a very real sense primary teacher because she is Mother of God and Mother of the Church and faithful If any one factor might be singled out for the very high level of faith and religious practice in medieval merry England merry because Mary's dowry because consecrated to Mary as her possession and property it is this Marian catechesis Only when England deliberately rejected Mary did it cease to be the happy place it once was Unfortunately English colonization of other peoples took place only after the repudiation of Mary by England That is why this catechetical work is especially valuable for the faithful and those who are seeking faith in America and other English speaking cultures It will bring to their attention precisely what is central to catechetics and so often missing the presence of Mary Mother and Teacher It will make perfectly clear why we need not fewer Marian sanctuaries but many many more in all parts of the country where this quiet but so real and profound influence of the Marian principle of the Church will be felt at every level It is my prayer and hope that those who read and study this work will find the same inspiration and stimulus that I found in having the privilege to read the manuscript before publication We are much indebted to Brother Anthony Josemaria Pasquale a Franciscan Tertiary of the
