Morna's Legacy Series (Box Set # 2) Bethany Claire, 2015-07-01 **The American Film Institute Catalog of Motion Pictures** ,1931 *Ireland on Show* Fintan Cullen, 2017-07-05 Looking past the apparent lack of a sustainable Irish display culture this book demonstrates that there is a very full story to tell of the way Ireland displayed its art from the late eighteenth to the early twentieth century Ireland on Show analyzes the impact of the display of art as a significant political and cultural feature in the make up of nineteenth century Ireland and in how Ireland was viewed beyond its own shores in particular in Great Britain and the United States Fintan Cullen directs much needed critical attention and analysis to a subject that has been largely overlooked from an Irish perspective This study moves beyond museums to address the range of art institutions in Irish cities that displayed art from the Royal Hibernian Academy founded in the 1820s to Hugh Lane s Municipal Art Gallery opened in Dublin in 1908 Throughout the book explores the battle between the display of a unionist ethos and a nationalist point of view a constant that resurfaces over the period By highlighting the tension between unionist and nationalist viewpoints Cullen uses the display of art to investigate the complexities of Irish cultural life before the founding of the Free State The Edwardian Sense Morna O'Neill, Michael Hatt, 2010 This is the twentieth in a series of occasional volumes devoted to studies in British art published by the Yale Center for British Art and the Paul Mellon Centre for Studies in British Art and distributed by Yale University Press Book Jacket **The Interpreting Spirit** Hannah R. K. Mather, 2020-10-08 The Interpreting Spirit is both a consideration of the Spirit s role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit s role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting hallmarks into a collective understanding Pivotal to Mather s argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation
