Morning Work Fourth Grade:

Look Out, Fourth Grade [formerly Look Out 4th Grade] [formerly Lookout 4th Grade] Laura Everly, 2016-09-09 Look Out Fourth Grade is the third book in a series of children's adventure fantasy books by Laura Everly. The first of her adventures is The Mighty Pond Hoppers and the second is Leah and Candace Leap Into Spring. Leah and Candace are neighbors, best friends, and students in Mrs. Casey's third grade class at Nash Elementary. In Look Out Fourth Grade, Mrs. Casey and her third grade class face a troubling sight in the auditorium where the class play is being set up. With only five days left before their performance of The Emperor's New Clothes, there are oodles of problems that need to be fixed. As the third grade class gets closer to becoming fourth graders, Leah and Candace lead the way in helping their classmates overcome several difficulties. Leah and Candace still rely on their secret escape vehicle, the back seat of a 1957 Chevy, to get away from the stress that comes from trying to be good daughters, friends, and classmates. Not only do the girls work as a great support system for one another, but also for their friends and families. The two are a great team and push themselves to make the right choices.

Imagination and Literacy Karen Gallas, 2003 In her newest book, teacher researcher and bestselling author Karen Gallas investigates imagination in the classroom to understand its function in literacy learning. Using rich examples from her elementary classrooms, she proposes that imagination is a central but untapped component of learning across all subject areas: language arts, science, social studies, and math. This book gets to the heart of a theme which has been a strong undercurrent in her previous books. Karen Gallas shares persuasive insights that will be of importance to educators at all levels. As one pre-service teacher put it after reading the book, "I am now inspired to unleash the imagination of my students and see where it takes us." Gordon Wells, University of California at Santa Cruz. Karen Gallas's inquiry into imagination and literacy is an engaging illustration of the power of inquiry to inform teaching while making a substantial contribution to current theory and research on the meaning and power of imagination. Curt Dudley Marling, Lynch School of Education, Boston College. Eloquent and intellectual, Karen Gallas offers us insights from her teaching journal and connections to philosophers from Freire to Bakhtin, showing teachers and researchers how to re-envision and improve our work with our students. I loved this book and have already recommended it to colleagues and friends. Ruth Shagoury, author of *A Workshop of the Possible*. Mary Stuart Rogers, Professor of Education at Lewis Clark College.
