Moon of Israel Henry Rider Haggard,2019-06-23 Moon of Israel is an amazing retelling of the Biblical story of the Exodus from the view point of Ana the Egyptian scribe Ana provides a down to earth narration of the ancient Egyptian times during the reign of Pharaohs Menephtah Amenmeses and Seti It is the story told from a different viewpoint that includes historical information action adventure romance and internal struggles that are still seen in today's times The main story follows the direction with Prince Seti who is heir to the throne and who is forced to marry his half sister Usereti The comical events leading to that can be admired by everyone However Prince Seti is disinherited because he doesn't follow his father's Pharaoh Menephtah idea of slaughtering the Jews Thus Amenmeses takes his place as heir But when the plagues of Egypt occur and the eventual release of the Jews Amenmeses decides on revenge and finds his life at stake Throughout it all Prince Seti discovers more of who he is and what it means to rule a nation that is in the tumultuous state it is left to him In the love story of two cultures colliding together and the struggles the couple faces in the quest to be together is very moving
