More News From Lake Wobegon Love:

Cheering for Self James S. Vass Jr., James Vass Jr., 2003-05-13 This book is a study of UW men's basketball fans during the 2001-2002 season and explores their proclivity to cheering for self during basketball events. The term basketball event is used rather than basketball game to make clear that everything connected to and seen, heard or experienced before, during and after a basketball game is included. The actual game itself is only part of the basketball event. An undercurrent runs throughout this participant observation mini-ethnography dealing with access and the relative quality of that access to basketball events being affected by one's age, class, race and gender. The prominent role of advertising in shaping basketball events and helping to construct fans as consumers of products both commercial and institutional during the process of cheering for self is central to this idea. Cheering for self is the activity engaged in by individual fans after they find things to identify or connect with through personal investment. Fans cheer for self indirectly. Fans cheer for the team that they identify with. Through the process of cheering for self while attending the basketball event, people are taught how to become fans, to consume a UW product, the basketball event and to consume advertisers' products. People have a tendency to spend their entire life trying to impress others.

Unabrow Una LaMarche, 2015-03-31 In between highbrow and lowbrow there's Unabrow. Take the cast of Bridesmaids, add a dash of pre-pubescent Eugene Levy and you have the humor stylings of Una LaMarche. Ann Imig, founder of Listen to Your Mother. As a girl, Una LaMarche was as smart as she was awkward. She was blessed with a precocious intellect, a love of all things pop culture and eyebrows bushier than Frida Kahlo's. Adversity made her stronger and funnier. In Unabrow, Una shares the cringe-inducing lessons she's learned from a life as a late bloomer, including the seven deadly sins of DIY bangs, how not to make your own jorts and how to handle pregnancy, plucking and the rites of passage during which your own body is your worst enemy. For readers who loved Let's Pretend This Never Happened and for fans of Mindy Kaling, Tina Fey and Amy Schumer, Unabrow is the book June Cleaver would have written if she spent more time drinking and less time vacuuming.

Garrison Keillor Peter A. Scholl, 1993 In 1985 Time magazine ran on its cover Garrison Keillor's face superimposed across the fictional town of Lake Wobegon, Minnesota, taking the publication of Keillor's book of the same name as an occasion to raise some hoopla. Over this radio bard, he was then host of the highly acclaimed A Prairie Home Companion variety show and humorist nonpareil. Not since Will Rogers has a crackerbarrel philosopher become a national figure, a celebrity. And it is the rare down-home fellow from the prairies, radio's tallest, shy person who also happens to write for the

New Yorker In this lucid well researched study Peter A Scholl follows chronologically the dual career of Garrison Keillor the pen name Gary Edward Keillor has been using since he was 13 exploring the Minnesotan s double mastery of the arts of storytelling and writing Scholl looks at how Keillor s writing and conceptions for radio particularly the News from Lake Wobegon on A Prairie Home Companion has influenced his writing Keillor s humorous sketches and stories have appeared in the New Yorker since 1970 he was on its staff from 1987 to 1992 his books Happy to Be Here 1982 Lake Wobegon Days 1985 We Are Still Married 1989 Leaving Home 1987 and WLT A Radio Romance 1991 have met critical and popular success Scholl finds that if Keillor attained his widest acclaim as a yarnspinner in the nineteenth century traditions of local color and literary comedy the foremost progenitor of which being Mark Twain he revitalized those traditions while adopting comic modes and playing roles that had little precedent in eras other than his own Keillor s being a New Yorker writer has according to Scholl almost symmetrically affected the structure and nuance of his oral tales they represent a cross pollination between traditional oral storytelling and the verbal artistry of not only the New Yorker writers the young Keillor so admired James Thurber S J Perelman A J Liebling and E B White but also such experimentalist writers as Donald Barthelme Scholl in fact compares the darker side of Keillor s humor with the postmodernism of Barthelme and perhaps at the other end of the spectrum he draws some parallels between Keillor s tales and those of Jean Shepherd whose fictional town of Hohman Indiana has served him in the same way Lake Wobegon has Keillor In this engaging balanced literary portrait Scholl analyzes how Keillor s public career as a radio performer has often put him at odds with his more solitary life as a writer At least four times Keillor has quit his positions in radio to devote himself more exclusively to writing and this oscillation between two callings notes Scholl reveals a complex ambivalence in Keillor s career an ambivalence that might just add to the poignancy and uniqueness of the stories Keillor tells
