More Than Black Multiracial Identity New Racial Order:

More Than Black G. Reginald Daniel, 2010-06-25 In the United States anyone with even a trace of African American ancestry has been considered black Even as the twenty first century opens a racial hierarchy still prevents people of color including individuals of mixed race from enjoying the same privileges as Euro Americans In this book G Reginald Daniel argues that we are at a cross roads with members of a new multiracial movement pointing the way toward equality Tracing the centuries long evolution of Eurocentrism a concept geared to protecting white racial purity and social privilege Daniel shows how race has been constructed and regulated in the United States The so called one drop rule i e hypodescent obligated individuals to identify as black or white in effect erasing mixed race individuals from the social landscape For most of our history many mixed race individuals of African American descent have attempted to acquire the socioeconomic benefits of being white by forming separate enclaves or passing By the 1990s however interracial marriages became increasingly common and multiracial individuals became increasingly political demanding institutional changes that would recognize the reality of multiple racial backgrounds and challenging white racial privilege *More Than Black* regards the crumbling of the old racial order as an opportunity for substantially more than an improvement in U S race relations it offers no less than a radical transformation of the nation s racial consciousness and the practice of democracy

Biracial in America Nikki Khanna, 2011-09-16 *Biracial in America* Forming and Performing Racial Identity looks at how and why biracial Americans identify the way they do and the ways in which they perform race in their day to day lives Noting that identity is multifaceted this book also explores multiple dimensions of identity and finds that identity is more complex than often treated in previous research

Race and Racism in the United States Charles A. Gallagher, Cameron D. Lippard, 2014-06-24 How is race defined and perceived in America today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago This four volume set is the definitive source for every topic related to race in the United States In the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape Racism has played a role in American society since the founding of the nation in spite of the words all men are created equal within the Declaration of Independence This set is the largest and most complete of its kind covering every facet of race relations in the United States while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning The work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars The entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts Information is presented to interest and appeal to readers but also to support critical inquiry and understanding A fourth volume of related primary documents supplies additional reading and resources for research

'Mixed Race' Studies Jayne O. Ifekwunigwe, 2015-03-24 Mixed race studies is one of the fastest growing as well as one of the most important and controversial areas in the field of race and ethnic relations Bringing together pioneering and controversial scholarship from both the social and the biological sciences as well as the humanities this reader charts the evolution of debates on race and mixed race from the nineteenth to the twenty first century The book is divided into three main sections tracing the origins miscegenation moral degeneracy and genetics mapping contemporary and foundational discourses mixed race identities politics and celebration debating definitions multiraciality census categories and critiques This collection adds a new dimension to the growing body of literature on the topic and provides a comprehensive history of the origins and directions of mixed race research as an intellectual movement For students of anthropology race and ethnicity it is an invaluable resource for examining the complexities and paradoxes of racial thinking across space time and disciplines

Adolescent Identity and Schooling Cynthia Hudley, 2015-07-24 Adolescent Identity and Schooling Diverse Perspectives examines a range of issues related to student adjustment and achievement through research on student identity Drawn from leading experts in psychology and sociology it attends to important contemporary topics in educational and developmental psychology With special attention to how students assess and relate to their own identities this book features chapters on pertinent but under represented identities such as parental identity immigrant identity and model minority identity It blends these new topics with chapters containing the most current perspectives on traditionally covered topics such as race and social class In ten chapters this book provides readers with a comprehensive set of perspectives on the relationship between student identity and success in school making it ideal for education courses on identity in education educational psychology and human development

Color Struck Julius O. Adekunle, Hettie V. Williams, 2010-02-24 Color Struck Essays of Race and Ethnicity in Global Perspective is a compilation of expositions on race and ethnicity written from multiple disciplinary approaches including history sociology women s studies and anthropology This book is organized around a topical chronological framework and is divided into three sections beginning with the earliest times to the contemporary world The term race has nearly become synonymous with the word ethnicity given the most recent findings in the study of human genetics that have led to the mapping of human DNA Color Struck attempts to answer questions and provide scholarly insight into issues related to race and ethnicity

Challenging Multiracial Identity Rainier Spencer, 2006 A hard hitting critique of multiracial identity scholarship Challenging the most basic of assumptions Spencer s book has the potential to raise the standards of an entire field of study Kerry Ann Rockquemore University of Illinois at Chicago A brilliant book well written a breath of fresh air Spencer s careful analysis of research on multiracial identity is a prelude to hard hitting ideas that will make the reader think Robert M Moore III Frostburg State University What is multiracialism and what are the theoretical consequences and practical costs of asserting a multiracial identity Arguing that the multiracial movement bolsters rather than subverts traditional categories of race Rainier Spencer critically assesses current scholarship in support

Studies in Meaning 3 Jonathan D. Raskin, Sara K. Bridges, 2008 Constructivist psychotherapy remains somewhat unfamiliar to many clinicians despite offering a variety of innovative and practical therapeutic approaches and techniques In this volume constructivist psychology is presented as it relates to everyday practice The chapters provide many examples of what constructivist psychotherapy looks like in the real world showing how one can make the transition from constructivist theory to constructivist practice with ease Constructivist therapy often gets labeled as too theoretical and jacking in clinical specificity Yet here is a volume with chapters that succinctly and understandably explicate basic theoretical concepts and then demonstrate them with vivid case examples taken from applied experience in the field BOOK JACKET **Handbook of Race, Racism, and the Developing Child** Stephen M. Quintana, Clark McKown, 2008 Handbook of Race Racism and the Developing Child is one of the first serious scholarly books to elucidate the unique developmental and social features of race and racism in children's lives This book covers the recent advances in understanding the experience of prejudice on a child's life and its effects on their development *Our Diverse Society* David Wells Engstrom, Lissette M. Piedra, 2006 Brazilian Immigration and the Quest for Identity Catarina Fritz, 2011 This book is a detailed study of the lives of a group of young Brazilians living in the greater Boston area the majority of whom entered the country illegally It explores the extent to which their origins in a more racially fluid environment affects their adaptation to a society with a much more rigid form of racial categorization In what ways does their adaptation to the racial hierarchy influence their lives in the United States and how their varying ancestry and legal status impact this process The book provides further insight into the debate about post racialism and the changing dyn
