the movement's remarkably fast spread is still not well understood. In particular its constant worldwide encounters with other religions and beliefs as well as with different forms of Christianity have seldom been explored at length. This rich and varied book remedies that neglect. Although its adherents supposedly preach a universal message in practice Pentecostalism's global spread has resulted in increasing diversification. The volume investigates the consequences of that spread and of the accommodations Pentecostal missionaries have to make when faced by pluralism and the challenges posed by ecumenism. Ranging across every major continent the contributors to the volume make a significant contribution towards a fuller and more complete understanding of this remarkable world faith. Pentecostalism is topical, fast expanding, newsworthy and exotic. This is the definitive collection by international experts on the movement. It is the first book to address Pentecostalism's fascinating relationship with other faiths and beliefs. *The Lord of Victory* E. LeRoy Lawson, 1988 *The Standard*, 1908
