Morph The Resurrection Of Angels:

Morph Walter Anthony Dinteman,2015-01-22 In Northern France in the late 1940 s a team of archeologists uncovered an astonishing mummy from the late Neolithic Age The truth of what they found could not be made public until sufficient evidence proved the discovery was not a fraud When the truth was known both science and religion were challenged as never before What would happen if there really were angels This book explores the possibilities as well as the implications of the resurrection of angels The tale begins midway in the 20th Century and continues through the first quarter of the 21st

Angelism: The Religion of Angels Jack Tanner,2018-03-07 Are you more than human Are you in fact an angel trapped in a body Do you have latent angelic powers that could transform your life Can you escape from the physical plane Scientism says matter is primary and mind secondary Angelism says the opposite The fundamental reality is one of mind and matter is the collective projection of all minds via mathematical holography The philosophical background to Angelism is provided by Plato Aristotle Thomas Aquinas Descartes and Leibniz Leibniz s Monadology is the ultimate expression of Angelism It asserts that the whole universe is made of angels and their thoughts Isn t it time to accept the reality of angels Isn t it time to undergo your angelic metamorphosis Are you afraid to become what you truly are We are each of us angels with only one wing and we can only fly by embracing one another Luciano De Crescenzo

Zechariah s Hope Paperback David C Coldwell,2018-01-24 The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool

Crazy Talk Karl N. Jacobson,Marc Olson,Megan J. Thorvilson,Megan Torgerson,Hans H. Wiersma,2017-09-01 So much theology is confusing and intimidating The concepts themselves are given weighty sounding names such as incarnation and justification and the explanations of the concepts sometimes can be more confusing than the names Captivating entertaining and highly informative Crazy Talk helps readers navigate their way through that complexity and offers a vocabulary that dares and equips its readers to embrace their own faith in a new well informed way The purpose of Crazy Talk says editor Rolf A Jacobson is to render the heart of our Christian theology in a form that is accessible and appealing to everyone The format of the book is similar to that of a dictionary of theological terms but with a twist of humor Each entry includes the name of the theological term an ironic definition of the term and a short humorous essay offering a fuller explanation of the term In making the term understandable Jacobson

concentrates on the big theological issue that is at stake in the term and why it matters This revised and expanded edition includes new and expanded entries and all new images

The City of God, the Bride of Christ, and the Second Death According to Revelation of John Victor Pierobon ,2018-12-18 The true consolidation of this book and How to Believe in Christ According to the Gospel of John are both consolidated in The Way the Truth and the Light According to the Gospel and Gospel and Revelation of John which is FREE to download from here and others online This is a sequel to How to believe in Christ According to the Gospel of John Revelation affirms reincarnation that we are judged by our works and describes the City of God as half the size of the planet Mercury a volume able to accommodate more than 47 000 trillion apartments It chronicles the redemption of Adam s lineage by the incorporation of God in Christ and Christ in Adam s human lineage The Second Death is mentioned four times in Revelation It describes the Final Judgment of all souls including the unforgivable souls and followers of Satan that are not in the Book of Life and other books regarding their works The bad souls are cast into the Lake of Fire assumed to perish as Christ said in Matthew 10 28 And fear not them who kill the body but are not able to kill the soul but rather fear him who is able to destroy both soul and body in hell Matthew 13 30 40 lays out Revelation s plot Let both the good and the evil grow together until the harvest He that sows the good seed is the Son of man 38 The field is the world the good seed are the children of the kingdom but the tares are the children of the wicked one 39 The enemy that sowed them is the devil the harvest is the end of the world and the reapers are the angels 40 As therefore the tares are gathered and burned in the fire same as the second death s lake of fire in Revelation so shall it be in the end of this world And in comparison Revelation 22 10 12 Seal not the sayings of the prophecy of this book for the time is at hand 11 He that is unjust let him be unjust still and he which is filthy let him be filthy still and he that is righteous let him be righteous still and he that is holy let him be holy still 12 And behold I come quickly and my reward is with me to give every man according as his work shall be The analysis of John s Gospel and his Revelation vision is closely tied to Genesis forming a non contradictory system of beliefs Pure Christianity is by far the toughest religion to follow The true early Christians did not passively submit to torture and death because they liked it but by believing in and following the teachings and example of Christ It required a suppression of all of their survival instincts procreation instincts social approval and status wealth and worldly pleasures and passions For example it requests that followers to be celibate give up worldly goods turn the other cheek give their shirt off their back hate deny their worldly life avoid the honor of men serve and feed all in need seek martyrdom and more Yet it is also a most rewarding religion based on its ideals in the pureness of body heart mind will and awareness it advocates in the spirit Unfortunately very few can and even those who spoke and saw Jesus directly had a very hard time following his teachings and example Yet billions currently believe themselves to be true Christians All true knowledge should be obtained internally by your own subjective effort and by the Holy Spirit of Truth and not just by reading and if it were not so Christ would have written copious works for us to be saved with just an easy read

The Way, the Truth, and the Light According

to the Gospel and Revelation of John Victor Pierobon,2021-10-10 John best described the Way the Truth and the Light in the New Testament Jesus Christ is the only sinless and selfless Man with the Holy Spirit of Truth and the Light and Breath of God residing in Him becomes our Lord and Judge most favored by God The book is an analysis of all the works of John line by line John s Christ often contradicts many modern Christian denominations This book points out these discrepancies It also provides a clear trace of Adam and his fall to his lineage of Mankind as well as the divine evolutionary interventions that shaped our species evolution of humanity and their divine souls In the Final Days of Revelation and Matthew s Gospel both state to let Evil be evil and Good be good Revelation reveals the harvest of the Good from Earth as Earth slowly gets scorched and destroyed by God God destroys the Evil ones that destroyed the Earth A new City of God along with a new Earth and a New Heaven is created for those Good souls spared from the Second Death the death of the soul A complete summary of this book is presented in the third Chapter The Christian Beliefs Events and Definitions The Appendix also provides comparative ideas and facts from other religions science philosophy spiritual works and Near Death accounts that verify John s New Testament writings This book supersedes and replaces my other two previous books How to Believe in Christ According to the Gospel of John and The City of God the Bride of Christ and the Second Death According to Revelation of John and these two previous books will no longer be updated and could be unpublished later on or a nominal price will be added for those who are curious on how this book evolved from past editions **The Gospel Way Catechism** Trevin
