

The book cover features a light gray background. At the top, a brown and white dog is shown in profile, looking down. Below the dog, a white architectural model of a building with a grid-like structure is visible. The title 'MORPHOSIS BUILDINGS & PROJECTS' is printed in large, bold, white capital letters. A paragraph of text is centered below the title. The publisher's name 'Rizzoli' is at the bottom left.

MORPHOSIS BUILDINGS & PROJECTS

Architecture begins with questions. The distinctions in an architecture's built form stems from the questions we choose to acknowledge in the process of our own investigation. From the beginning, we have been interested in an architecture of multivalent complexity; our projects respond to the vast disciplines and interests that find their way into our work.
