It's your personal tech coach designed to walk you through everything you need to know from the very first tap on the screen to advanced tips you'll wonder how you ever lived without. Whether you're unboxing your iPhone for the first time or upgrading from an older model, this book offers a warm, reassuring approach tailored specifically to your needs and comfort level. What's holding you back from getting the most out of your iPhone? If you've ever felt overwhelmed by confusing settings, baffled by new features, or just plain frustrated trying to figure out where to start, you're not alone. The iPhone 17 Pro Max is Apple's most powerful device yet, but for many beginners and seniors, that power can feel more like a barrier than a benefit. That's why *iPhone 17 Pro Max for Beginners Seniors* was written to turn uncertainty into confidence, complexity into clarity, and your iPhone into an easy-to-use everyday companion. This expertly written guide is more than just a manual. It's your personal tech coach designed to walk you through everything you need to know from the very first tap on the screen to advanced tips you'll wonder how you ever lived without. Whether you're unboxing your iPhone for the first time or upgrading from an older model, this book offers a warm, reassuring approach tailored specifically to your needs and comfort level. Forget the jargon. Forget the confusion. Here you'll find plain English explanations, real-life examples, and step-by-step instructions that actually make sense. Discover how to set up your iPhone properly from the start, navigate iOS 18 with ease, take breathtaking photos with the upgraded camera system, and stay connected with family and friends through calls, messages, FaceTime, and more. But it doesn't stop there. This guide also dives into powerful accessibility features for seniors, privacy settings to keep your information safe, simple solutions for common issues, and time-saving shortcuts that help you get things done faster. All written with empathy, clarity, and respect for where you are in your tech journey. Imagine checking your messages without confusion, capturing cherished moments in crystal clarity, and finally feeling in control of your device without asking your kids or grandkids for help every time something changes. That's the freedom this book delivers. Whether you're using the iPhone to stay in touch, stay organized, or simply stay curious, this guide is the definitive key to unlocking its full potential. Don't let technology leave you behind. Take the guesswork out of your iPhone experience and start enjoying everything it was designed to offer with confidence, ease, and maybe even a little excitement. Scroll up and grab your copy now. Your iPhone mastery starts today. Translator: Nicolle Raven. PUBLISHER: TEKTIME. Targeted Kelly Gates, 2025-08-19. How video transformed policing and security. Video cameras are everywhere: attached to buildings, drones, and dashboards; embedded in smartphones, laptops, and doorbells; worn on police uniforms and sunglasses. In *Targeted*, Kelly Gates argues that the resulting avalanche of video has transformed the landscape of policing and security in the twenty-first century. Video production, analysis, and archival management are now central to the ways police power is exercised, criminal law enforced, and spaces of human habitation securitized. Gates examines the primacy of video in four key areas of policing and security: the field of digital multimedia forensics, private video surveillance, infrastructure development, police body-worn camera

systems and video analytics for automated surveillance Video AI Case studies of two companies illustrate the role of corporations in these far reaching media technological changes Target Corporation has integrated its retail security operations with law enforcement expanding its surveillance beyond its stores and parking lots and into the criminal legal system Axon Enterprise is leveraging the growing volume of police body cam video to build a large scale proprietary platform for policing Targeted reveals the role of video infrastructure development in the increasingly entangled relationship between the modern police and the modern corporation in the long wake and ruins of neoliberalism **PC World** ,2005 **Escape Emerald** **2** Bill H.
