Prof. Sri Wuli Fitriati, M.Pd., Ph.D. Prof. Dr. Januarius Mujiyanto, M.Hum. Prof. Dr. Sukarno, M.Si., 2025-11-18 Critical reading is an essential skill for navigating the challenges of the 21st century information age. However, Indonesian students' critical reading abilities require significant improvement. This book introduces an innovative approach to English language teaching: Technology Enhanced Differentiated Reading Instruction (TEDRI). This book explains the effectiveness of Technology Enhanced Differentiated Reading Instruction (TEDRI) in improving the critical reading skills of senior high school students with different levels of reading motivation. Grounded in the principles of differentiated instruction and supported by digital learning technologies, TEDRI was designed to respond to the diverse needs of learners and to foster deeper engagement with reading tasks. TEDRI is an effective and adaptable instructional approach for promoting critical reading in EFL contexts, especially when student motivation is thoughtfully considered. This book highlights the importance of designing responsive teaching strategies that not only integrate technology but also honour the varied learning profiles of students in today's classrooms.

Teaching Reading Comprehension to English

Learners in Secondary Schools: A Research-Based Approach Cekiso, Madoda, Olifant, Florence, Mokhtari, Kouider, 2025-04-23 Teaching reading comprehension to English learners ELs in secondary schools presents unique challenges as these students must navigate the complexities of academic texts and the intricacies of language acquisition. Effective instruction requires a research-based approach that considers the diverse linguistic, cultural, and cognitive backgrounds of these learners. Recent studies highlight the importance of integrating strategies that build both language proficiency and content knowledge essential for helping ELs develop the skills needed to comprehend complex materials. Fostering metacognitive awareness through strategies like summarizing, questioning, and making connections can empower students to become active and strategic readers. This approach recognizes the need for a supportive, inclusive classroom environment that encourages language development while promoting academic achievement in content areas. Further research may help educators provide English learners with the tools to thrive as capable readers in secondary school.

Teaching Reading Comprehension to English Learners in Secondary School: A Research-Based Approach explores various aspects of teaching reading comprehension to English Second Language (ESL) learners in secondary schools. It examines current challenges and evidence-based strategies in reading comprehension. This book covers topics such as language learning, reading strategies, and teacher training and is a useful resource for academicians, researchers, and scientists. [The Handbook of Research in World Language Instruction](#) Victoria Russell, Kathryn Murphy-Judy, Francis John Troyan, Aleidine J. Moeller, Krishauna Hines-Gaither, 2025-06-05 This seminal handbook provides a comprehensive overview of the research on world language education and how that research can transform into effective and daily instructional practices for K-16 language teachers. With contributions from leading scholars in the field, the volume addresses cutting-edge research trends and practice. Covering key topics in language education, the volume is organized in six sections: Teaching Methods and Approaches; Culture, Pragmatics, and Intercultural Communicative Competence; Assessment and Program Evaluation; Diversity, Equity, and Inclusion in the World Language Classroom; Technology Integration and Online Language Teaching and Learning; and Key Issues in World Language Instruction, including advocacy, teacher recruitment and retention, and professional development. This handbook is an essential text for all scholars, researchers, and educators in world languages.
