Search and Social Rob Garner,2012-11-06 Search and Social is a detailed hands on guide to building a successful real time marketing platform *The Rats Were Bad that Year* Alan King (Singer and Bandleader),2017 Are you terrified of rats Would you like to be terrified of rats Then I cannot recommend this book highly enough Granted the circumstances of this rat infestation are not likely to match your current living situation but if they do good luck ever sleeping again Anyway this is the story of a brief period of Alan s life when he was a kid His father was working on buying a house but some problem with the finances was tying things up so his only choice was to rent a house next to his grandmother Reports are varied on who lived there before him but their time living there was a lovely learning experience for Alan about rats It s hard to say if the reality of the rats their tearing through cereal boxes and anything in the cabinets leaving turds all over the place was more

Things eventually build to a killing spree as you probably figured and no details are spared of the carnage. I should point out that there are no word balloons as the text is a story from Alan and the art is illustrations from Jamie which only serves to create the tiniest bit of distance between the two needed to make the whole thing genuinely terrifying.
