Competing with Disruptive Business Models in Traditional Industries. Conceptualisation of a Strategic Framework Nils Berkemeyer,2016-05-06 Master s Thesis from the year 2015 in the subject Business economics Business Management Corporate Governance grade 1 0 Cass Business School language English abstract An increasing number of journalistic articles and academic literature deal with the struggle of established companies to fend off the attacks by industry newcomers such as Airbnb Spotify Netflix Google and many others These companies enter traditional industries with innovative business models and compete in a manner which makes it challenging for incumbent firms to understand their novel competition and respond effectively This study introduces a typology of three stages of industry disruption that classify the newcomer s developmental stage and describe the incumbent s competitive position in terms of competition

intensity and remaining time to respond It is demonstrated how incumbents may conduct their strategic reasoning along these stages to arrive at a strategic goal and evaluate possible counter measures *Longpath* Ari Wallach,2022-08-16 An antidote to nearsightedness Ari Wallach won't just leave you planning months or years ahead he challenges you to look generations ahead Get ready to think and think again Adam Grant 1 New York Times bestselling author of Think Again and host of the TED podcast WorkLife A paradigm shifting manifesto for transforming your thinking from reactionary short termism to the long term widening your scope beyond today tomorrow and to even five hundred years from now to reclaim meaning in your life from futurist and host of the PBS series A Brief History of the Future Many of the problems we face today from climate change to work anxiety are the result of short term thinking We are constantly bombarded by notifications and Breaking News that are overwhelming our central nervous systems forcing us to react in the moment and ultimately disconnecting us from what truly matters But there is a solution Futurist Ari Wallach offers a radical new way forward called longpath a mantra and mindset to help us focus on the long view Drawing on history theology neuroscience evolutionary psychology and social technologies Longpath teaches us to Strengthen our ability to look ahead Relieve reactions to stressful events Increase capacity for cooperation Boost creativity Wallach challenges us to ask ourselves to what end what is my ultimate goal and how does my choice align with my values And even more provocatively Wallach challenges us to ask to what end for civilization at large Whether it's work marriage parenting or simply trying to be a good human on the planet framing decisions from a much larger scale creates a more fulfilling and sustainable life now and for future generations
