Kopack, Stephen Potts, 2003-05-02 According to recent press reports everyone is developing Web Services but many are still in the exploratory phase learning what's involved and how to achieve ROI This book is designed to give a working introduction to Web Services to help decision makers prepare for the implementation in their companies It demystifies the topic by providing a beginning level explanation of what this technology is what it means to businesses where to apply it and how to make it work Using numerous simple examples the book explains the core concepts of Web Services SOAP UDDI and WSDL as well as tools and related concepts that will help create the big picture in readers minds The Upper Reaches of the Amazon Joseph Froude Woodroffe, 1914 *How Big-Tech Barons Smash Innovation—and How to Strike Back* Ariel Ezrachi, Maurice E. Stucke, 2024-05-21 Two market experts deconstruct the drivers and inhibitors to innovation in the digital economy explain how large tech companies can stifle disruption assess the toll of their technologies on our well being and democracy and outline policy changes to take power away from big tech and return it to entrepreneurs Silicon Valley's genius combined with limited corporate regulation promised a new age of technological innovation in which entrepreneurs would create companies that would in turn fuel unprecedented job growth Yet disruptive innovation has stagnated even as the five leading tech giants which account for approximately 25 percent of the S P 500's market capitalization are expanding to unimaginable scale and power In *How Big Tech Barons Smash Innovation and How to Strike Back* Ariel Ezrachi and Maurice E Stucke explain why this is happening and what we can do to reverse it While many distrust the Big Tech Barons the prevailing belief is that innovation is thriving online It isn't Rather than disruptive innovations that create significant value we are getting technologies that primarily extract value and reduce well being Using vivid examples and relying on their work in the field the authors explain how the leading tech companies design their sprawling ecosystems to extract more profits while crushing any entrepreneur that poses a threat As a result we get less innovation that benefits us and more innovations that surpass the dreams of yesteryears autocracies The Tech Barons technologies which seek to decode our emotions and thoughts to better manipulate our behavior are undermining political stability and democracy while fueling tribalism and hate But it's not hopeless The authors reveal that sustained innovation scales with cities not companies and that we as a society should profoundly alter our investment strategy and priorities to certain entrepreneurs Tech Pirates and cities infrastructure **Stop Making Others Rich: How Authors Can Make Bank By Selling Direct** Morgana Best, 2022-07-31 Do you want to have an author store and don't know where to start Or have one and don't know how to make the most of it Take back your power and control your author finances with an author store Your store is not just another retailer with the right store you can upsell retarget customers bundle products such as an ebook and a print book or whatever you like No more rules No more nastygrams No more spending most of your ad budget to subsidise retailers sending your readers to a page with other authors books on it With a store you can get paid now That's right now and not in 60 days And no more retailer cuts Ever wondered who buys your books Not any more Now you have data and depending on
