A Psychological Science Perspective Kaan Akkanat,2015-02-17 Essay from the year 2012 in the subject Communications Mass Media grade 1 33 Jacobs University Bremen gGmbH language English abstract We re communicators by nature and things like Instagram offer us a new language to speak with say Daryl Peveto and Matt Slaby from Luceo Image Agency in a recent interview about the shifts in the paradigms of photographic and online communication Laurent 2012 Considering the increasing volume of communication via online channels their words may be interpreted as not surprising at all However the universe of social media platforms shows a great diversity in terms of the distinct offerings for different motivational needs of the users Inspiring from this variance this paper will first highlight the distinct features of Instagram Secondly the paper will

attempt to assert Instagram into an alternative and empirically supported framework of social media goals by Hoffman and Novak 2012 in order to differentiate its utility from other platforms Thirdly the paper will critically compare and contrast Instagram and other well known social media platforms Facebook Twitter LinkedIn Xing Google on the basis of variety of theories like social interaction self understanding and self expression A subsequent conclusion will then be formulated with respect to the whole analysis

Snap and Share Adam Furgang,2014-12-15 They say a picture is worth a thousand words If that s true then what are a thousand pictures worth Today with the use of mobile smartphones and similar devices containing miniaturized cameras snapping and sharing photos has never been easier or more commonplace Playing around with photo and video apps like Instagram Vine Flickr and Snapchat has become a natural part of teenage life But along with the fun comes responsibility This volume guides readers through simple steps for using photo and video apps and offers ideas for unleashing creativity It also addresses the potential risks of using these apps such as cyberbullying and suggests a code of conduct that should be enforced whenever anyone snaps and shares

How to Ruin Your Life Eric Geiger,2018-04-03 You can blow up your life To bring strong and tall buildings to the ground demolition experts strategically place tiny explosives throughout the structure of a building so that the building will topple on itself Instead of destroying the building from the outside they destroy it from within In the same way many great men and women have imploded and others are well on their way Author Eric Geiger offers a sobering reminder that many great and godly people have imploded and none of us are above the risk Looking at the story of David s infamous implosion readers will learn how to ruin our lives so we won t and also how to find hope if we do as all of us need His grace
