*The New Female Antihero* Sarah Hagelin, Gillian Silverman, 2022-01-25 The New Female Antihero examines the hard edged spies ruthless queens and entitled slackers of twenty first century television The last ten years have seen a shift in television storytelling toward increasingly complex storylines and characters In this study Sarah Hagelin and Gillian Silverman zoom in on a key figure in this transformation the archetype of the female antihero Far from the sunny sincere plucky persona once demanded of female characters the new female antihero is often selfish and deeply unlikeable In this entertaining and insightful study Hagelin and Silverman explore the meanings of this profound change in the role of women characters In the dramas of the new millennium they show the female antihero is ambitious conniving even murderous in comedies she is self centered self sabotaging and anti aspirational Across genres these female protagonists eschew the part of good girl or role model In their rejection of social responsibility female antiheroes thus represent a more profound threat to the status quo than do their male counterparts From the devious schemers of Game of Thrones The Americans Scandal and Homeland to the joyful failures of Girls Broad City Insecure and SMILF female antiheroes register a deep ambivalence about the promises of liberal feminism They push back against the myth of the modern day super woman she who has it all and in so doing they give us new ways of imagining women s lives in contemporary America

*The Proposal* Sonora Reyes, 2025-01-21 From the author of The Lesbiana s Guide to Catholic School two best bros fake an engagement but will their friendship survive It s about time roommates Alejandro and Kenny get married Or at least that s what all their close friends and family think when they announce their engagement The kicker The two are faking their whole relationship so Alejandro can get a green card But if Han was going to marry anyone it would be his ride or die since second grade Han has never been able to put down roots and the only one who truly breaks through his walls is Kenny Sweet sensitive Kenny is newly single and what better distraction from his soul sucking relationship than proposing marriage to Han Kenny can t think of anything more fun than spending his life with his best friend even if it s just for a piece of paper But as Kenny keeps up the charade he s soon struggling to resist their sizzling chemistry The line between fact and fiction begins to blur the closer they get to their wedding date With all eyes on Han and Kenny including a

meddling ex and immigration officers will these two bros make it down the altar for real The Paris Affair Pip Drysdale,2021-02-03 She thinks love can kill you It turns out she might be right The dark and sexy new thriller from the bestselling author of The Sunday Girl and The Strangers We Know Harper Brown is an expert at picking locks breaking her way out of car boots talking her way out of trouble and she could run a masterclass on escaping relationships her record for losing a guy is three minutes flat She s addicted to true crime podcasts and is the genius behind a micro column called How to not get murdered After having her heart broken helping her ex follow his dreams Harper has moved to Paris to fulfill hers She s talked her way into a job as an arts journalist a stepping stone to her dream role as an investigative journalist All she has to do is whatever it takes to get there But then one night she meets the artist Noah X and everything she thinks she knows is turned upside down Soon Harper finds herself entangled in a web of lies hot on the trail of a murderer and the scoop of a lifetime This is the story that could make her career if the killer doesn t catch her first A book that both utilises and critiques the trope of the murdered woman in the crime genre this was a thought provoking and difficult to put down novel that I wouldn t hesitate to recommend to a friend The AU Review The tension and pace escalate and all the red herrings and breadcrumbs subtly dropped along the journey coalesce delivering a gripping conclusion An entertaining tale of mystery and suspense Booklover A fast paced and heart stopping ride packed with plenty of twists and turns that will keep you on your toes right to the end Gripping suspenseful and seriously addictive The Paris Affair is yet another tantalising page turner from the wonderful Pip Drysdale Better Reading The Paris Affair is not a simple whodunnit nor a mere romance nor is it a run of the mill book about a young woman in Paris Pip Drysdale has very cleverly turned these situations on their heads showing us the complexities of love sex and romance Glam Adelaide An entertaining crime thriller recommended for fans of savvy characters art journalism and all things Parisian Carpe Librum There are plenty of twists turns and danger I found myself holding my breath with my heart pounding as I turned the pages The Paris Affair is another sharply plotted page turner from Pip Drysdale The Burgeoning Bookshelf

### **Behavioral Processes in Online Identity-Related Issues** Xi

Chen,Ivan Wen,Qixing Qu,Wenjing Chen,2024-07-11 With the development of advanced media technologies cyberspace is gradually transforming from temporal immersion into a state of new normal An increasing proportion of our daily lives has become a mix of physical and virtual worlds As a complex social psychological phenomenon online social identity has attracted widespread attention from academia to industry Identity related issues have been noted as an important subject of Internet interdisciplinary research including social psychology sociology personality psychology and health psychology Communication in cyberspace always carries some degrees of anonymity for users present virtual identities constructed by themselves in cyberspace hiding their real identities and constructing their online identities as a form of social identity enactment On the other hand online media provides tools and environments for virtual identity building Although the anonymity of the internet facilitates the subjects construction of their virtual identity their online virtual identity is not

completely anonymous and can be identified and authenticated online thereby meaning we can research how online identity relates to real world identity Identification is a social process that matches internal self identity with external identity types and it is also a process and a reflection of internal perceptions and mere identification with a group has been shown to dramatically affect behavior as per social identity theory

**Poets Square** Courtney Gustafson, 2025-04-29 NEW YORK TIMES BESTSELLER An intimate memoir about the importance of community and care in a world that can feel impossibly broken and a story about accidentally going viral while tending to a colony of feral cats When Courtney Gustafson moved into a rental house in the Poets Square neighborhood of Tucson Arizona she didn't know that the property came with thirty feral cats Focused only on her own survival in a new relationship during a pandemic with poor mental health and a job that didn't pay enough Courtney was reluctant to spend any of her own time or money caring for the wayward animals But the cats their pleading eyes their ribs showing the new kittens born in the driveway didn't give her a choice She had no idea about the grief and hardship of animal rescue the staggering size of the problem in neighborhoods across the country And she couldn't have imagined how that struggle toward an ethics of care of individuals trying their best amid spectacularly failing systems would help pierce a personal darkness she'd wrestled with for much of her life She also didn't expect that the TikTok and Instagram accounts she created to share the quirky personalities of the wild but lovable cats like Monkey Goldie Francois and Sad Boy would end up saving her home Courtney writes toward a vision of connectedness showing how taking care of the cats reshaped her understanding of empathy resilience and the healing power of wholly showing up for something outside yourself She takes us from the dark alleys where she feeds feral cats to inside the tragically neglected homes where she climbs over piles of trash and occasionally animals and then into her own driveway with the cats she loves and must sometimes let go Compelling and tender Poets Square is as much about cats as it is about the urgency of care community and a little bit of dumb hope

**Digital Culture in the Platform Era** Shane Tilton, 2025-09-26 This book uses the roles of celebrities in society to frame discussions about digital culture in the platform era and helps us see how we have evolved online in our communication and cultural creations Focusing on the modern types of Internet celebrities influencers opinion leaders nanocelebrities and platform superstars allows us to discuss their online practices and how their work has significantly changed the ways we define our communities within increasingly fragmented digital audiences and platform users Through an exploration of the impact of social media and online communication the book highlights how we are impacted by those who dominate these platforms It identifies three essential components of digital celebrity culture personality reach and content while also providing an in depth analysis of the psychological profiles of four types of celebrities and their connection to audiences Internet celebrities can show us how to make our relationships more meaningful online by focusing on those communication practices that we learned in public speaking with a focus on informing persuading and inspiring This understanding of purposeful content empowers the average Internet user to build

authentic connections in an interconnected digital landscape Celebrities are finally models of good practices when it comes to how they reach their audience Their direct messaging tends to mimic the personal conversations that they have with friends group chats are likely part of the celebrity s inter circle public postings on social media become their announcements to the general public and streaming replicates the standards of traditional media broadcasts Examining these dynamics of personalities content and reach gives us valuable insights into how we can effectively navigate digital interactions and ensure that we can craft online works that resonate with the people that we care about This book gives us the model to use practical communication techniques to be more meaningful online
