America's Systemic Psychosis Jack L. Richardson, IV, JD, 2024-07-23 The country is in chaos Everywhere you look it seems America has lost its collective mind This mass formation psychosis has disconnected the public from the truth and each other Anxiety is a pandemic and few have little faith in any of our institutions not knowing what to believe Our constitutional protections as citizens are under attack The situation we find ourselves in is not a result of a miscalculation but a planned deconstruction of the country by our enemies This attack has been largely carried out with weapons of misinformation and disinformation from the media our government social media and nongovernmental organizations The citizenry of this country must regain a natural skepticism and question everything resisting the temptation to trust the government to do everything for us We must restore our mental autonomy and ability to think for ourselves instead of being told what to think America's Systemic Psychosis provides the diagnosis of our problem explains how the current psychosis and disconnect from the truth has come to pass and the steps we all need to take to get our minds back finding sanity and stability once again

Substack Mastery V2 (Advanced Level) - Early Access Dr Mehmet Yildiz, 2025-07-22 Substack Mastery V2 A Practical Guide to Grow with Purpose Write with Confidence and Build a Loyal

Audience Using the P I L L A R Framework Insights When I first shared what I had learned about writing on Substack I wanted to help other writers find their footing just as I had struggled to do so myself My early version of Substack Mastery focused on practical steps how to write better posts build a mailing list and understand the platform It helped thousands of writers to start Substack successfully which delighted me However as more new writers reached out to say they were still overwhelmed or unsure how to grow their audiences and start earning a reasonable income via their newsletters I realized that previous strategies and tactics alone were not enough I needed something more radical to make a lasting impact and support fellow writers on Substack That is what led me to create the P I L L A R Framework It is not a magic formula It is the system I developed after making numerous mistakes starting over multiple times and rebuilding everything with greater intention This new approach helped me grow my Substack audience to over 239 000 subscribers between 2024 and 2025 and I became a best selling author on Substack even though it was not my intention This success was not achieved through viral tricks but rather by consistently aligning my content with purpose values and clarity And it has now helped thousands of other writers find their voice and build real communities around their work This new book is my way of passing that learning forward If you are feeling invisible burnt out or unsure how to grow without selling your soul or spending hours doing things that do not feel right this new version of Substack Mastery will meet you where you are I will walk you through the new PILLAR framework additional strategies I've developed real world examples common pitfalls and ways to make your newsletter work on your terms And if you're tired of all the hype out there I wrote this as its opposite I am a realistic and pragmatic optimist In this new book you will also get a preview of the Substack Mastery Boost Pilot initiative I am quietly building with our growing community It is a low cost writer first platform designed for education and marketing supporting ethical growth reader discovery and mutual learning in 2026 and beyond I believe we do not need to chase algorithms to succeed We need a structure we can trust a rhythm we can sustain and a community that lifts us as we grow More importantly I focus on making our readers happy with high quality and valuable content I factored in all these key success factors in this book and simplified the concepts and practices with relatable and memorable examples That is what Substack Mastery V2 offers to take your writing business to the next level You are welcome to join my supportive and joyful community on Substack Medium Patreon and other platforms to shine I wish you the best in your writing journey I can be contacted via my author platform Digitalmehmet Content Ecosystem

Organisational Flexibility in an Age of Chaos Andrés Hatum, 2025-09-16 This groundbreaking book challenges conventional management wisdom by arguing that mismanagement and disorganisation are not failures but endemic features of organisational life in turbulent times Through rigorous theoretical analysis and rich case studies including an in depth examination of Netflix the author develops a comprehensive framework of organisational flexibility based on five key dimensions that enable companies to thrive amid chaos and uncertainty The book offers several distinctive features A provocative reconceptualisation of organisational adaptation an

empirically grounded framework for building flexible organisations practical diagnostic tools for assessing and enhancing organisational adaptability and detailed case studies that illuminate how successful organisations navigate complexity Each chapter combines theoretical depth with practical insights making complex concepts accessible while maintaining scholarly rigor Written primarily for academics and researchers in organisation studies strategic management and leadership theory this book will particularly appeal to doctoral students and advanced postgraduate scholars It serves as an essential resource for management faculty teaching graduate courses in organisational behaviour strategic change and leadership while also offering valuable insights for researchers studying organisational adaptation in volatile environments
