Everyone's got their way of how they like to get things done in the morning but if your current morning habits are leaving you feeling tired, uninspired and drained mentally and emotionally even before your day has begun, clearly something needs to change. Let the first act of every morning be to make the following resolve for the day: I shall not fear anyone on Earth. I shall fear only God. I shall not bear ill will toward anyone. I shall not submit to injustice from anyone. I shall conquer untruth by truth. And in resisting untruth I shall put up with all suffering. Mahatma Gandhi. We require routine and tradition.
