Magazine of Advertising, Management and Sales**, 1902 Menus for Movieland Richard Abel, 2015-09-01 At the turn of the past century the main function of a newspaper was to offer menus by which readers could make sense of modern life and imagine how to order their daily lives Among those menus in the mid 1910s were several that mediated the interests of movie manufacturers distributors exhibitors and the rapidly expanding audience of fans This writing about the movies arguably played a crucial role in the emergence of American popular film culture negotiating among national regional and local interests to shape fans ephemeral experience of moviegoing their repeated encounters with the fantasy worlds of movieland and their attractions to certain stories and stars Moreover many of these weekend pages daily columns and film reviews were written and consumed by women including one teenage girl who compiled a rare surviving set of scrapbooks Based on extensive original research Menus for Movieland substantially revises what moviegoing meant in the transition to what we now think of as Hollywood **The Iron Trade Review**, 1923 **Mekeel's Weekly Stamp News** I. Montgomery Reader** Benjamin Lefebvre, 2013-01-01 An exciting new collection The L M Montgomery Reader assembles significant rediscovered primary materials on one of Canada's most enduringly popular authors throughout her high profile career as the author of the resoundingly successful *Anne of Green Gables* 1908 and after her death Each of its three volumes gathers pieces published all over the world to set the stage for a much needed reassessment of Montgomery's literary reputation Much of the material is freshly unearthed from archives and digital collections and has never before been collected in book form The ninety selections appearing in this first volume focus on Montgomery's role as a public celebrity giving a strong impression of her as a writer and cultural critic as she discusses a range of topics with wit wisdom and humour including the natural landscape of Prince Edward Island her wide readership anxieties about modernity and the continued relevance of old ideals These essays and interviews are joined by a number of additional pieces that discuss her work's literary and cultural value in relation to an emerging canon of Canadian literature with nearly one hundred selections in all Each volume is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that trace the interplay between the author and the critic as well as between the private and public Montgomery This volume and the Reader as a whole adds tremendously to our understanding and appreciation of Montgomery's legacy as a Canadian author and as a literary celebrity both during and beyond her lifetime Publisher's description **Elgin Dairy Report**, 1921 **Bradstreet's Weekly**, 1885 **The Washington**
