This workbook was created to support students as they grow into confident, capable, and independent young adults—one skill at a time. Each daily page includes a short, realistic conversation, comprehension questions, social reflections, functional math, functional reading and writing practice, and journaling prompts that are easy to complete independently or in small groups. Whether you're starting the school day, transitioning between activities, or using it as a daily SEL check-in, this workbook fits seamlessly into your routine.
