Teacher Learning and Leadership Ann Lieberman, Carol Campbell, Anna Yashkina, 2016-08-25

Teacher Learning and Leadership asserts that teachers should be put at the center of creating developing organizing implementing and sharing their own ideas for school change rather than being passive recipients of knowledge from the outside It argues that there is tremendous potential for the good of students and the professionalization of teaching when teachers work collaboratively to develop their own and their colleagues professional knowledge and practices and are supported by school and system leaders unions and government The book draws on the groundbreaking work of the Teacher Learning and Leadership Program in Ontario and uses an in depth case study to illustrate its points It demonstrates how professional development built around collaboration teacher leadership curriculum development technology and pedagogy can be organized in a way that redistributes control and responsibility to teachers thereby instilling a genuine sense of pride and accomplishment in their work This book is a sincere outreach from the authors who advocate for the professional development of by and for teachers as individuals and importantly as a collective profession The authors argue that projects

like the TLLP a joint initiative between the Ontario Ministry of Education and the Ontario Teachers Federation can radically and positively transform teachers knowledge skills and practices The book provides an important model for school change led by teachers rather than experts in partnership with school and system leaders and is a fascinating read for all those concerned with teaching teacher development and educational change Curriculum, Instruction, and Assessment Sandra L. Stacki, Micki M. Caskey, Steven B. Mertens, 2020-05-01 The lives of middle school students are dynamic and their needs and desires are always evolving They experience more complicated lives as influences of the broader society including popular media and technology immigration and cultural diversity amplified political divisiveness and bullying effect their daily lives both in and out of school These influences have contributed to the need for more socialemotional support and the desire of students and teachers alike to find and express their voices Since the publication of the 2002 Handbook volume focusing on curriculum instruction and assessment the ideas approaches and practices of middle school educators and researchers have also needed to evolve and change in many ways to meet these changing realities and the needs of students teachers and schools This volume includes chapters focusing on varying aspects of curriculum instruction and assessment currently being implemented in middle grades classrooms across the country School Library Journal, 1994 **The Software Encyclopedia**, 1988 **The Elementary School Library Collection, Phases 1-2-3**, 1988 Bilingual Educational Publications in Print, 1983 **Complete Sourcebook on Children's Software**, 1999 **The Complete Learning Disabilities Directory**, 2004 **Teaching Children Mathematics**, 2003 **Grade Teacher**, 1971 **Children's Software Revue**, 1993 ENC Focus a Magazine for Classroom Innovators, 2000 **Resources in Education**, 1996 **The Home School Source Book** Donn Reed, 1994 **Cooperative School Bulletin**, 1926 *Instructor*, 1980 The Elementary School Library Collection, 1998
