Sam doesn't want that to happen to you. She took her business on the road for a year by the water. During her travels, she asked people, "Do you like your life? Your job? If so, why? If not, why not?" The surprising insights about what makes people happy or unhappy, what they're doing about it or not, and why will inspire you to carve out time for what truly matters now, not later. Life is much too precious to postpone. It's time to put yourself in your own story. The good news is there are hacks you can do right now to make your life more of what you want it to be. And you don't have to be selfish, quit your job, or win the lottery to do them. Sam Horn offers actionable practical advice in short snappy chapters to show you how to get started on your best life now.
