NFL Football Richard C. Crepeau, 2020-09-14 The new NFL Centennial Edition: A multi-billion dollar entertainment empire, the National Football League is a coast-to-coast obsession that borders on religion and dominates our sports-mad culture. But today's NFL also provides a stage for playing out important issues roiling American society. The updated and expanded edition of *NFL Football* observes the league's centennial by following the NFL into the twenty-first century where off-the-field concerns compete with touchdowns and goal-line stands for headlines. Richard Crepeau delves into the history of the league and breaks down the new era with an in-depth look at the controversies and dramas swirling around pro football today: Tensions between players and Commissioner Roger Goodell over collusion, drug policies, and revenue; The firestorm surrounding Colin Kaepernick and protests of police violence and inequality; Andrew Luck and others choosing early retirement over the threat to their long-term health; Paul Tagliabue's role in covering up information on concussions; The Super Bowl's evolution into a national holiday. Authoritative and up to the minute, *NFL Football* continues the epic American success story.
