Sports Videogames Mia Consalvo, Konstantin Mitgutsch, Abe Stein, 2013-07-18 From Pong to Madden NFL to Wii Fit Sports Videogames argues for the multiple ways that sports videogames alongside televised and physical sports impact one another and how players and viewers make sense of these multiple forms of play and information in their daily lives Through case studies ethnographic explorations interviews and surveys and by analyzing games players and the sports media industry contributors from a wide variety of disciplines demonstrate the depth and complexity of games that were once considered simply sports simulations Contributors also tackle key topics including the rise of online play and its implications for access to games as well as how regulations surrounding player likenesses present challenges to the industry Whether you're a scholar or a gamer Sports Videogames offers a grounded theory building approach to how millions make sense of videogames today

Financial Management in the Sport Industry Matthew T. Brown, Daniel A. Rascher, Mark S. Nagel, Chad D. McEvoy, 2021-04-07 Now in a fully revised and updated third edition this essential textbook introduces the fundamentals of sport finance and sound financial management in the sport industry It is still the only textbook to explain every aspect of finance from the perspective of the sport management practitioner explaining key concepts and showing how to apply them in practice in the context of sport The text begins by covering finance basics and the tools and techniques of financial quantification using industry examples to apply the principles of financial management to sport It then goes further to show how financial management works specifically in the sport industry Discussions include interpreting financial statements debt and equity financing capital budgeting facility financing economic impact risk and return time value of money and more The final part of the book examines financial management in four sectors of the industry public sector sport collegiate athletics professional sport and international sport It provides an in depth analysis of the mechanics of financial management within each of these sport sectors Useful features such as sidebars concept checks practice problems case analysis and case questions will help students engage more deeply with financial techniques and encourage problem solving skills This new edition includes a completely new chapter on international sport reflecting the globalized nature of the modern sport industry as well expanded coverage of current issues such as digital

media finance recent legal cases affecting collegiate sport and the central importance of collective bargaining Financial Management in the Sport Industry is an essential textbook for any undergraduate or postgraduate course in sport finance and an invaluable supplement to any course in sport business or sport management It is also an important reference for all sport management practitioners looking to improve their understanding of finance The book is accompanied by updated and expanded ancillary materials including an instructor s manual PowerPoint slides and an image bank **Football's New York Giants** Lawrence A. Pervin,2009-06-08 The New York Giants returned to prominence with a Super Bowl victory in 2008 but the franchise has a long and proud history This book focuses on six different eras of the team from its 1925 inaugural season through the glory years of the 1950s with stars Frank Gifford and Sam Huff to its victory over the New England Patriots in Super Bowl XLII one of the greatest upsets in football history Players coaches general managers and critical games are highlighted along with the Mara family which has guided the franchise since its inception The growth of the team s popularity mirrors the rise of the NFL as America s most popular spectator sport The League That Didn't Exist Gary Webster,2018-11-23 The All American Football Conference was the only challenger to the NFL except for the American Football League of the 1960s to survive more than two seasons in competition with the established league It ultimately failed to achieve its goal of a peaceful coexistence with the NFL and folded in 1949 Its Cleveland Browns and San Francisco 49ers which were absorbed by the NFL in 1950 are still in business This book takes a brief look at all of the NFL s challengers and would be challengers from 1926 to 1945 It looks particularly at the All American Conference which overcame obstacles that proved too difficult for others and opened the 1946 season with teams on the East Coast in the Midwest on the West Coast and in the deep South making it a truly All American enterprise Each season and off season is examined in detail

Essentials of Sports Law Glenn M. Wong,2010-08-18 In this thoroughly revised Fourth Edition Glenn Wong provides a comprehensive review of the various sports law issues facing professional intercollegiate Olympic high school youth and adult recreational sports Major topics include tort liability contracts waivers antitrust law labor law constitutional law gender discrimination drug testing intellectual property law broadcasting laws pertaining to sports agents business and employment law Internet gambling and athletes with disabilities Significant additions here include new court decisions agreements contracts and collective bargaining agreements and legislation federal state association and institutional rules and regulations Discussions of legal concepts are supplemented with summaries and excerpts from hundreds of actual sports cases Wong cites a variety of books law review articles newspaper articles and Web links for those requiring further information on particular topics This text professional guide serves as an invaluable resource to those involved or studying to become involved in the vast industry of sports Financial Management in the Sport Industry Brown T Matthew,2016-12-15 Financial Management in the Sport Industry provides readers with an understanding of sport finance and the importance of sound financial management in the sport industry It begins by covering finance basics and the tools and techniques of

financial quantification using current industry examples to apply the principles of financial management to sport. It then goes beyond the basics to show how financial management works specifically in sport: how decisions are made to ensure wealth maximization. Discussions include debt and equity financing, capital budgeting, facility financing, economic impact, risk and return, time value of money, and more. The final section focuses on sport finance in three sectors of the industry: public sector, sports, collegiate athletics, and professional sport, providing in-depth analysis of financial management in each sector. Sidebars, case studies, concept checks, and practice problems throughout provide practical applications of the material and enable thorough study and practice. The business of sport has changed dynamically since the publication of the first edition, and this second edition reflects the impact of these changes on financial management in the sport industry. New to this edition are changes to reflect the global nature of sport, with, for example, discussions of income tax rates in the Premier League, expanded material on the use of spreadsheets for financial calculations, a primer on accounting principles to help students interpret financial statements, a valuation case study assignment that takes students step by step through a valuation, a new stadium feasibility analysis using the efforts of the Oakland Raiders to obtain a new stadium, a new economic impact example focusing on the NBA All Star game, and much more.

The All-America Football Conference Kenneth R. Crippen, Matt Reaser, 2018-01-17 The All America Football Conference and the National Football League battled for supremacy from 1946 through 1949. In the end, the players from the AAFC, as well as three teams, were brought into the NFL. Through extensive research, the Professional Football Researchers Association (PFRA) has corrected the statistics and coaching records, selected offensive and defensive All-Pro Teams for all four seasons, and an All-Conference team, and provided brief biographies and scouting reports for the members of the All-Conference Team.

Sport and the Media Matthew Nicholson, Anthony Kerr, Merryn Sherwood, 2015-06-12 Successful media relations and a sound communication strategy are essential for all sport organizations. Any successful manager working in sport must have a clear understanding of how the media works, as well as the practical skills to manage the communication process. Now in a fully revised and updated second edition, *Sport and the Media: Managing the Nexus* is still the only textbook to combine in-depth analysis of the rapidly developing sport media industry with a clear and straightforward guide to practical sport media management skills. The book explains the commercial relationships that exist between key media and sport organisations and how to apply a range of tools and strategies to promote the achievements of sport organisations. This updated edition includes a wider range of international examples and cases, as well as four completely new chapters covering new and social media, managing the media at major sports events, the work of the sports journalist, and the role of the sport media manager. The book's online resources have also been updated with new lecture slides and teaching notes, providing a complete package for instructors. *Sport and the Media* is an essential textbook for any degree-level course on sport and the media, sport media management, or sport communication, and invaluable reading for any sport media or sport management practitioner looking to improve their professional skills.

The Original Buffalo Bills Kenneth R. Crippen, 2023-11-03 The Buffalo Bills of the National Football League have a fervent fan base the city's love affair with their football team dates back more than six decades The Buffalo Bills were one of the strongest teams in the All America Football Conference in 1948 and 1949 their final years of play The team had such an impact on the city and on professional football that current franchise owner Ralph Wilson when searching for a home for his American Football League team settled in Buffalo and named the team in honor of the original Bills *The NFL's Pivotal Years* Brad Schultz, 2021-05-12 Recent years have been among the most challenging in NFL history culminating in the 2020 21 coronavirus and social justice issues Yet a complete understanding of where the NFL is today begins with a five year period that was the most transformative for the league From 1957 to 1962 the NFL saw the advent of unionization with a landmark Supreme Court decision the legendary 1958 title game the first to go into sudden death overtime a challenge from the American Football League that would have important consequences for decades the introduction of computerization and statistical analysis the first steps towards globalization and the hiring of legends Vince Lombardi and Tom Landry who both contributed to the league's growing mythology This book describes in detail the key events that helped shape the modern NFL and why this period was so momentous to the league and its fans The Business of Sports Scott Rosner, Kenneth Shropshire, 2011-01-07 The Business of Sports Second Edition is a comprehensive collection of readings that focus on the multibillion dollar sports industry and the dilemmas faced by today's sports business leaders It covers professional Olympic and collegiate sports and highlights the major issues that impact each of these broad areas The Second Edition provides insight from a variety of stakeholders in the industry and covers the major business disciplines of management marketing finance information technology accounting ethics and law Each chapter features concise introductions a broad range of focused readings and targeted discussion questions and graphs and tables to convey relevant financial data and other statistics **Live Sports Media** Dennis Deninger, 2022-01-27 In Live Sports Media The What How and Why of Sports Broadcasting Dennis Deninger provides an all encompassing view of the sports television industry from his own perspective as an Emmy Award winning producer at ESPN at a time of seismic shifts in the industry Technological advances and the proliferation of sports content across multiple media platforms have increased accessibility to sports events of all kinds across the world Shifts in viewing habits and audience preferences are changing the dynamic of sports media and the sports industry as a whole The result more power for some sectors and diminished power for many others to which professionals in the field need to rapidly adapt This second edition has been substantially updated to explore the impact of COVID 19 disruptions on sports and the growth of women's sports broadcasting and evolving sports as well as political statements made in sports Black Lives Matter and taking a knee It illustrates the origins impact reach economics production and presentation of sports on video media including but not limited to television It takes the reader behind the scenes to describe the forces and processes that have shaped and continue to change sports content its delivery and how it connects with fans
