seasoned pro Don t let another deal slip through your fingers **The return of the housewife** Emma Casey, 2025-04-08 An illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women Housework is good for you Housework sparks joy Housework is beautiful Housework is glamorous Housework is key to a happy family Housework shows that you care Housework is women s work Social media is flooded with images of the perfect housewife TikTok and Instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right Figures such as Marie Kondo and Mrs Hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking And yet housework remains one of the world s most unequal institutions Women especially poorer women and women of colour do most low paid and unpaid domestic labour In The return of the housewife Emma Casey asks why these inequalities matter and why they persist after a century of dramatic advances in women s rights She offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker

Powerful Command-Line Applications in Go Ricardo Gerardi, 2021-12-08 Whether you want to automate tasks analyze data parse logs talk to network services or address other systems requirements writing your own command line tool may be the fastest and perhaps the most fun way to do it The Go programming language is a great choice for developing tools that are fast reliable and cross platform Create command line tools that work with files connect to services and even manage external processes all while using tests and benchmarks to ensure your programs are fast and correct When you want to develop cross platform command line tools that are fast and reliable use Go a modern programming language that

combines the reliability of compiled languages with the ease of use and flexibility of dynamic typed languages Work through practical examples to develop elegant and efficient tools by applying Go s rich standard library its built in support for concurrency and its expressive syntax Use Go s integrated testing capabilities to automatically test your tools ensuring they work reliably even across code refactoring Develop CLI tools that interact with your users by using common input output patterns including environment variables and flags Handle files to read or persist data and manipulate paths consistently in cross platform scenarios Control processes and handle signals and use a benchmark driven approach and Go s concurrency primitives to create tools that perform well Use powerful external libraries such as Cobra to create modern and flexible tools that handle subcommands and develop tools that interact with databases APIs and network services Finally leverage what you learned by tackling additional challenges at the end of each chapter What You Need Go 1.8 or higher an internet connection to download the example files and additional libraries and a text editor to write your programs **Return to the**

Big Fancy Freeman Hall,2012-09-18 Bigger Fancier and more cutthroat than ever When Freeman Hall left The Big Fancy to pursue his screenwriting dreams he thought the horrors of working in a handbag department were finally over But instead of fame and fortune he found himself stuck behind a wall of script killing rewrites unable to make a living In Return to the Big Fancy Freeman shares his wildly entertaining journey back through the fiery gates of Retail Hell He thought he had seen it all in his day but with the bar set higher than ever before employees are now graciously bowing before Corporate as they climb over fellow salespeople and even friends to earn enough transactions and commissions to actually survive As he learns more of the wretchedness that has befallen the sales floor he realizes that The Big Fancy has its customers and its employees on a short leash But leave it to Freeman and the threat of disappearing commissions to rally the retail slaves and show Corporate who s really in charge **“Black Friday.
