Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products Jule Prescher,2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 1 3 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on the Cx Therefore the research addresses the following questions How powerful are influencers these days What is different about influencer marketing and why is it a successful strategy How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers What impact does an influencer have on the overall Cx The internet has been fully

integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time, the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022, 5 billion people have access to the internet worldwide, and 4.7 billion people use social media. SM. Ultimately, 93% of those with internet access own at least one SM account, that is, more than half the population worldwide. Through time, companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio, for example. Influencer marketing became a 10 billion industry in 2020. Influencers share their lives on SM networks. Due to their high reach, they receive offers from companies for cooperation. Influencers' followers admire and trust their recommendations due to their personal and authentic representation. While advertising products, influencers show how to use them, where to buy them, and give their opinion. For higher sales, influencers often receive promo codes for a discount or free products for each order.

Blank Space W. David Marx, 2025-11-18. An NPR Most Anticipated Book of Fall 2025. A revealing exploration of a quarter century of cultural stagnation, examining the commercial and technological forces that have come to dominate contemporary culture, from music and fashion to art, film, TV, and beyond. Over the past twenty-five years, pop culture has suffered from a perplexing lack of reinvention. We've entered a cultural blank space, an era when reboots, rehashes, and fads flourish while bold artistic experimentation struggles to gain recognition. Why is risk no longer rewarded, and how did playing it safe become the formula for success? Acclaimed cultural historian W. David Marx sets out to uncover the answers. In this ambitious cultural history, Marx guides us through the blur of the twenty-first century, so far from the Obama era to the rise of K-pop, from Paris Hilton to the Marvel cinematic universe, from Beyoncé and Taylor Swift to Beyoncé and Taylor Swift, whose enduring influence highlights both their adaptability and the broader shifts in pop culture. Combining sociological, economic, and political insights with a deep dive into art, street culture, fashion, and technology, *Blank Space* dissects the rise of profit-driven formulaic trends and the shifting cultural norms that often prioritize going viral over innovation. He reveals how backlash against indie snobbery and nineties counterculture gave rise to a counter counterculture, one marked by antiliberal sentiment, the celebration of business heroes, and the increasing influence of industry plants and the elite class. In a world of crypto bros, nepo babies, and AI-driven art, Marx offers readers a much-needed dose of clarity and context. Vibrantly narrated and sharply argued, *Blank Space* is an essential guide for anyone looking to understand the chaos of the twenty-first century, the trends, tastemakers, and icons who shaped it, and how we might push our culture forward over the next quarter century through renewed emphasis on creativity, community, and the values that transcend mere profit.
