Bad Idea Luke Dempsey, 2011-01-15 It began with a weekend house then weekend trips Then the occasional meeting rearranged in favor of a morning in Central Park just while the spring migration was on Before Luke Dempsey knew it he had spiraled down into full on birding mania finding himself riding along with two like minded maniacs in a series of disreputable rental cars and even nastier motel rooms charging madly around the country in search of its rarest and most beautiful birds A Supremely Bad Idea is the story of that search and those birds and those maniacs and that country and to a much lesser extent those rental cars In Texas the three obsessives go in search of the deeply endangered Golden cheeked Warbler which lives on the side of a hill near a waterfall in Michigan they see the pretty much extinct Kirtland s Warbler which insists on short pine trees for nesting and lots of quiet please in Arizona they see the very private Elegant Trogon after a very public fight with a birding guide Along the way Dempsey narrates an amazing sequence of encounters with nature and humanity including a man building a 40 foot ark in his Seattle backyard a beautiful woman who shows him how to kill 4 000 Cowbirds a year a coyote and his human smuggler on the Rio Grande and everywhere these incandescent birds flitting across the range of his binoculars and his heart With the casual erudition of a Bill Bryson and the comic timing of a British David Sedaris Dempsey demonstrates why so many millions of birders care so much about birds and why perhaps the rest of us should too
