When Evelyn Dasher crossed paths with Luc, she was thrown headfirst into the world of the Lux, only to discover that she was already far more involved in their world than she ever suspected. Because the Luxen aren't the only ones with a hidden past, there's a gap in Evie's memory: lost months of her life and a lingering sense that something happened, something she can't remember and nobody is willing to tell her. She needs to find out the truth about who she is and who she was. But every answer she finds only brings up more questions. Her search for the truth brings her ever closer to Luc, the Origin at the center of it all. He's powerful, arrogant, inhumanly beautiful, extremely dangerous, and possibly in love with her. But even as Evie falls for him, she can't help but wonder if his attraction is to her or to the memory of a girl who no longer exists. And all the while, a new threat looms: reports of a flu-like, fatal virus that the government insists is being spread by Luxen. A horrifying illness that changes whoever it touches, spreading panic across a country already at its breaking point. In this pulse-pounding and thrillingly sensual novel, Lara Adrian returns to the mesmerizing world of the Midnight Breed, following new characters into a dark future where an uneasy peace can unravel into war and a great betrayal can mask an all-consuming love. Twenty years after the terror of *First Dawn*, when mankind learned that vampires lived secretly among them, the threat of violence reigns as the two species struggle to coexist. The only group preserving the fragile harmony is the Order, an elite cadre of Breed warriors dedicated to protecting humans and vampires alike. And in this precarious world of torn loyalties and shattered trust, Mira, a fiery squad captain, finds that every fight bears an intensely personal cost. Raised among the Order, Mira has always believed in the warrior's code of swift and even lethal justice. But the one thing she desires more than the Order's hard-won acceptance is Kellan Archer, a sexy but troubled Breed fighter. In love with him since childhood, Mira once broke through his tough exterior during an unexpected night of rapture, but the next day he mysteriously disappeared, never to return. Kellan didn't think he would ever see Mira again or have to confront the truth of why he left. After abandoning the Order years ago, he now leads a band of human rebels intent on carrying out their own vigilante rule of law. Yet a high-profile kidnapping assignment brings him face
