Tiktok Update:

Social Media Cultures Dhiraj Murthy, 2024-12-15 In *Social Media Cultures* Dhiraj Murthy provides a theoretically grounded historical exploration of the social media landscape. Uniquely tracing the evolution of social media from traditional media like letters, postcards, and the telephone to new media and platforms, Murthy argues that these contemporary phenomena are not divorced from their analog antecedents. The historical and theoretical frameworks employed in this book allow readers to better understand the intricacies of nuanced modern dynamics like cancel culture, self-expression, and celebrity influence. Focusing on mobility, political discourse, and the power of witnessing from global perspectives, Murthy uses empirical case studies from both the Global South and North to demonstrate the profound impact of social media on culture, politics, and everyday life. Ultimately, Murthy encourages readers to reflect on their roles within the broader social media ecosystem and to consider the far-reaching consequences of social media engagement on a global scale. Scholars of communication, media studies, social media, and sociology will find this book of particular interest.

Social Media Communication Jeremy Harris Lipschultz, 2023-07-18 This updated fourth edition presents a wide-scale interdisciplinary guide to social media communication. Examining platforms like Facebook, Instagram, Snapchat, TikTok, Twitter, and YouTube, the book analyzes social media's use in journalism, public relations, advertising, and marketing. Lipschultz focuses on key concepts, best practices, data analyses, law, and ethics, all promoting the critical thinking that is needed to use new, evolving, and maturing networking tools effectively within social and mobile media spaces. Featuring historical markers and contemporary case studies, essays from some of the industry's leading social media innovators, and a comprehensive glossary, this practical, multipurpose textbook gives readers the resources they will need to both evaluate and utilize current and future forms of social media communication. Updates to the fourth edition include expanded discussion of disinformation, the impact of artificial intelligence, AI, natural language chatbots, virtual and augmented reality technologies, and the COVID-19 infodemic. *Social Media Communication* is the perfect social media primer for students and professionals and, with a dedicated online teaching guide, ideal for instructors too.

TikTok and Youth Cultures Crystal Abidin, 2025-11-04 Using anthropological methods to produce deep and insightful ethnographies about TikTok and its core users, *TikTok and Youth Cultures* will help readers develop a critical understanding of TikTok's impact on society, its place in the social media landscape, and its cultural relevance around the world.
