Humanism in STEM Education Bryan Dewsbury, Susannah McGowan, Sheila S. Jaswal, Desiree Forsythe, 2024-09-24 Research demonstrates that STEM disciplines perpetuate a history of exclusion particularly for students with marginalized identities This poses problems particularly when science permeates every aspect of contemporary American life Institutions repeated failures to disrupt systemic oppression in STEM has led to a mostly white cisgender and male scientific workforce replete with implicit and or explicit biases Education holds one pathway to disrupt systemic linkages of STEM oppression from society to the classroom Maintaining views on science as inherently objective isolates it from the world in which it is performed STEM education must move beyond the transactional approaches to transformative environments manifesting respect for students social and educational capital We must create a STEM environment in which students with marginalized identities feel respected listened to and valued We must assist students in understanding how their positionality privilege and power both historically and currently impacts their meaning making and understanding of STEM Social Media for Strategic Communication Karen Freberg, 2021-07-02 Social Media for Strategic Communication Creative Strategies and Research Based Applications Second Edition teaches students the skills and principles needed to use social media in persuasive communication campaigns This book combines cutting edge research with practical on the ground instruction to

prepare students for the real world challenges they ll face in the workplace By focusing on strategic thinking and awareness this book gives students the tools they need to adapt what they learn to new platforms and technologies that may emerge in the future A broad focus on strategic communication from PR advertising and marketing to non profit advocacy gives students a broad base of knowledge that will serve them wherever their careers may lead The Second Edition features new case studies and exercises and increased coverage of diversity and inclusion issues and influencer marketing trends
