The Rise Of Divine Feminine Dr. Pretty Thakur, 2018-02-12 The Rise Of Divine Feminine is a dedication to all warriors of the light who sacrificed their lives for bringing forward the truth about what is so wrong in the world today. The problems we face today collectively in the world are not the big things; they are very small issues buried deep in the psyche of the human mind. Our failure to understand this has led to the root of all our problems in the outer world. This book attempts to bring to light these small issues of our mind and help us understand how the mind can be either our most dangerous enemy or our most dedicated friend. Through spirituality and scientific support, we can reverse this imbalance. This book is a soft knock on our minds to wake us and show us who we really are and seize our power by discovering the wonders of our human mind and to reclaim our position as God's most wonderful creation. The Rise of Divine Feminine is a book for today's new generation. It is an initiative to understand the root of all our human problems and upgrade our knowledge on this subject to create legendary humans.
