Dear Ms. Hines,

As a customer-oriented professional, I am confident I am an ideal candidate for the customer support specialist position at Benetech. Thanks to my two years of experience in office and call center environments, I guarantee I have the requirements to integrate quickly into your team.

Currently, I serve as a customer service representative for Parts Town where I provide support via phone and email and document interactions using Salesforce, skills I know are necessary to excel as a customer support specialist:

My greatest accomplishments include:

- Assisting over 2,000 customers with account management and technical support requests.
- Analyzing errors and anomalies with accounts and maintaining overall data integrity at 98% on membership databases.
- Tested 10 softwares to forecast support Q&As including desktop, website and mobile applications.

I believe Benetech is the perfect place for me to further my attention to specific and complex details presented over the phone and in writing while providing expertise in assistive technology such as screen readers JAWS, NVDA and VoiceOver, refreshable Braille displays and stand-alone notetakers.

Please feel free to schedule an interview at your earliest convenience. Thank you for your time and consideration.

Best regards,
Leo Johnston
