Never Boring Ed Willes,2024-10-05 Veteran hockey writer Ed Willes takes an irreverent look back at

the sometimes thrilling often infuriating and always fascinating history of the Vancouver Canucks Cheering for the National Hockey League s Vancouver Canucks over the last half century has required patience commitment and a forgiving nature It s not that the Canucks have been uniformly awful or drearily predictable Far from it as this past season would attest But every time they seemed close to delivering the ultimate prize to their fan base the indomitable faithful they slipped on a banana peel and tumbled straight into the abyss Most of their failings were self inflicted The franchise s ownership history is as uneven as its won loss record But some have been so random and so accidental the faithful can legitimately wonder what they did to anger the hockey gods It started in 1970 with a spin of the carnival wheel which gifted Hall of Fame centre Gilbert Perreault to the Buffalo Sabres and left the Canucks with Dale Tallon And it s continued uninterrupted for over 50 years For decades veteran Vancouver hockey writer Ed Willes has had his own vantage point on this team that has in his words been haunted by dark and unnatural forces since its inception And Willes s knowledge extends far beyond the most infamous chapters of the story As this irreverent often bitterly funny chronicle shows the litany of woe stretches back farther and runs deeper than many Canucks fans realize and stars several of the biggest names in hockey history Willes s account tells the story of a uniquely confounded franchise and its obsessive followers who have thus far been denied the thrill of a Stanley Cup championship Their consolation has been the dubious comfort of wallowing in collective misery The Wall Street Journal ,2005 *USA Today Index* ,1996 *Put It In the Book!* Howie Rose,Phil Pepe,2013-02-01 In *Put It In the Book* New York Mets broadcaster and lifelong fan Howie Rose takes fans behind the microphone into the locker rooms and through the last 50 years of Mets baseball Millions of fans have listened to Rose s trademark calls over the years and now with his patented honesty and humor he gives a firsthand account of the Amazins from the greatness of Tom Seaver to Johan Santana s recent no no In addition to a personalized look at the rich history of the of the team this work also features Rose s thoughts and opinions on the current Mets team and roster and his thoughts on the future of the club Entertainment Design ,2001 **American Lumberman** ,1917 **Game Informer Magazine** ,2009 *Computerworld* ,1996-09-09 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world s largest global IT media network *Great Athletes* ,2010 **Wings of Fire** Paul R.
