AN Whitehead

Smart Home Nhl Opening Night 2025:

The Next One Ken Reid, 2025-10-21 Behind the scenes to hockey's hidden superstars the scouts who chase teenage prodigies and might never be across North America and around the world If you attend any junior minor or professional hockey game and you'll spot them often up in the rafters alone busily taking notes and calling their general managers These are the scouts the men and women who have made the job into a lifestyle chasing players across borders working the locals chatting with retired hockey people and visiting remote communities in hopes of finding the next one Yes they scout the likes of Connor McDavid and Connor Bedard and even Wayne Gretzky but scouts really make their mark by finding players who will fit in up and down the lineup the scorer having trouble finding the net the goalie who stands on her head to keep her team in the game the quiet winger who arrives at the rink first and leaves last Scouts don't just bird-dog talent they evaluate character and grit and drive looking for players who can play even a handful of games in the bigs Hockey's favourite raconteur Ken Reid tells us all about this secret club One scout found himself squeezed into a small car with a bunch of other scouts including Hall of Fame goalie Glenn Hall Former NHLer and pro scout Rick Knickle followed Jordin Tootoo of remote Rankin Inlet even though Tootoo didn't start playing the game until he was eleven years old One scout worked at a maximum security prison only to find himself as a pro scout Another scout went from a farmer who tried his hand at scouting to being a scout who happened to own a farm And Reid takes us behind the scenes at the nascent PWHL where teams furiously scouted their starting lineups with only a few weeks before the season began Always entertaining often illuminating and sometimes hilarious *The Next One* is the ideal book for anyone who wants to understand hockey beyond the ice

The Future Tab Bamford, 2025-02-11 A fascinating inside look at one of the most highly anticipated rookie seasons in NHL history When the Chicago Blackhawks selected Connor Bedard with the first overall pick in the 2023 NHL draft it was the culmination of months if not years of unrestrained hype For the Original Six franchise nearly a decade removed from a dynastic run of Stanley Cup successes Bedard represented nothing less than the foundation for future glory The 17 year old centre from North Vancouver had long been projected as a generational talent tearing up the junior level WHL and garnering comparisons to Connor McDavid and Sidney Crosby Now it was time to compete head to head with those superstars and step into the lofty prophecies others had written for him Through extensive reporting in Chicago and beyond Tab Bamford chronicles one of the most highly anticipated rookie seasons in modern hockey following Bedard's Calder Trophy campaign on the ice and the pressurized environment that lingered off it Encompassing exalted expectations untimely injuries countless highlight reel goals and the fevered omnipresent media landscape Bedard's inaugural season provides a thrilling and expansive portrait of today's NHL
