Parliamentary Practice in New Zealand David McGee, 2021-05-01T00:00:00Z Parliamentary Practice in New Zealand provides a detailed description of New Zealand's parliamentary practice. It is an authoritative text for use by members of Parliament, public servants, academics, parliamentary officers, and other working professionals who have an interest in Parliament, such as the legal profession. This fourth edition incorporates a decade of developments since the third edition in 2005 and reflects many significant changes in parliamentary law, practice, and procedure, including the Parliamentary Privilege Act 2014, how the House and its committees conduct legislative and financial scrutiny, the use of extended sittings by the House, the increased role of the Business Committee to manage the transaction of parliamentary business, how the work of the House and its committees is communicated to the public. This new edition features an attractive design and accessible structure with extensive indexing and references.

It incorporates a range of topics including geophysical methods of grave detection, the mineralogy of art, identification of microfossils, and comparison of soil trace evidence samples.

Each topic is introduced using core concepts that are developed with increasing complexity in order to give readers an understanding of the underlying scientific principles involved and a taste of the wide range of possible forensic uses. A variety of detailed reference tables have been compiled for the text and each chapter contains lists of references to applicable textbooks and journal articles. Examples of real criminal cases are also presented in each chapter to make the connections between theory and real world application. The goal of this book is to give readers a familiarity with the wide range of ways in which geoscience principles and geological materials can be utilized forensically.
