and sacrifice Bitten By Paranormal Romance 5 Stars an Alpha Howl happily sad a story of love sacrifice and choices Romance Novel Junkies 4 Stars The elements of this story weave seamlessly together creating a touching truly beautiful world I would personally love to visit I would highly recommend this story to anyone who has ever been in love before Night Owl Reviews 4 25 Stars short snappy and brilliantly sexy Fiction Fascination 5 Stars **Till Death Do Us Part** Sasha R C,2023-03-24 Mariah Mr Prince Charming that is who I thought he was Kind gentle loving until the moment I said my vows The moment the vows left our mouths Everything changed he changed The man I thought I married was nothing more than a fairy tale Til death do us part we vowed I never knew just how real that statement would become The fight for my life started the day after our wedding And now I am just trying to hold on I am just trying to survive Josiah When I look at her I see her innocence her vulnerability I see the pain in her eyes The marks on her pale skin I see the suffering she has endured I am a broken man not a good soul I am a criminal But with her I must be more I need to be more I will do anything to save her **This Will Be A Love Story** Ariana Irendale,2024-11-19 Kaida I lost everything when I left the mundane for the Order Academy in the magic realm The school was a lie It was a prison and I spent the last four years shoveling unicorn excrement Until I escaped Leaping from the walls to grab onto the floating island that went by once a year should have been my end but I managed to climb on because I got help From a monster There is something wrong with this place The fairies are all hibernating and the monster is the only one awake I m used to monsters and though he may be one on the outside he sure isn t one on the inside I m no beauty my heart was turned to stone and though he may be a beast this floating castle and all the people in it they need my help We all might need some tender loving care to grow Emberon If she stays here she will die This castle is a tomb for us all and every room she breathes life into brings her closer to the monster that could spell her end I can t let that happen I won t let anything hurt her not even myself This stand alone full sized novel expands the world of the main Chaos God series It is a love story but more than just the love between two people It is a story about the love we can give to others The love we pour into the communities around us helps us all grow from the wreckage and thrive HEA **A Wish Fulfilled** James Qualls,G.A.Sarna,2026-03-17 A Wish Fulfilled Thinking back now I knew this story was already written Still time only rolls forward in this world we must obey the rules despite the antithesis of fact It is okay to bend the law but going beyond that might break the moment forever There is an old myth that Ruby used to talk about when I was a teenager Ruby stated That touching a teardrop of our soulmate finds its way into our hearts and forever links us I am afraid she has surely done that I felt hers when they were tears of joy The sight and sound of her sobbing on video almost stopped my heart If she is not as photogenic as she claims to be I want her camera It is magic Simply touching a kiss maybe to experience her soul in this incarnation will surely bind us once more She is stunning beautiful and frightened Hopefully it is for nothing All of this will pass All of this will change All of this will happen as it already has My books exist in a library hidden from reality However I need to bring them here as proof Magic is real our love is real soulmates are real All of this is a daily reminder of what I need

to do to reach her Thanks to the video she forwarded I am working overtime The description I had written is not even close to how beautiful she is in this incarnation As Cugh used to say Suck it up sweet pea we do not have forever But that is not entirely true Forever like magic is a matter of perspective She and I are forever We always have been I know this with all my heart Cugh knew it too We have a few more books that need to be drug into reality We have already written them I seriously need to find my library card The pink of a morning somewhere flows through the tunnel of bismuth and colors my day I look into the world of this woman I love so very much and recall every life we have ever spent She chose to help those around her this time by contracting Lyme She suffered physically so she could connect to those around us and guide their spirits forward She purposely took this pain so that she and I could move from coming back She used this lifetime to grow to make a quantum leap spiritually She used this life to become an angel What is unique about her is that everyone around her got a chance to see it She took us all along for the ride She suffered abuse and heartache she loved and lost and she pushed us all through trials and tests and allowed us to fail so that we could grow The cost that this love of mine endured to move humanity up a rung is Godlike in its kindness I have never witnessed anyone as capable as her of doing what she has done Mother Theresa Ghandi Mohammed Jesus Georgina Those who scoff never met any of them Those who don t believe never spent time in their presence Those who did know They got the rare gift of seeing her for who she was I got to love her I got to capture her words But that too is another story

Through Shadows and Light - Webs of Lies and Love Alaa Zaher, 2025-03-20 Sometimes life unfolds in ways we least expect and coincidences those seemingly trivial moments lead us down roads we never planned to travel Yet with every path chosen or fate encountered consequences arise These consequences are often shaped by the fierce battle between two powerful forces within us the mind and the heart The mind with its sharp logic and unyielding grip on rationality seeks control over every decision every thought and every aspect of our being It claims dominance asserting that it knows what is best what is safe and what will ultimately protect us But does it truly What happens when this firm grip on control extends beyond reason silencing the quiet profound whispers of the heart What kind of existence does that lead to when the mind imposes its absolute rule over the language of emotions instincts and love Love after all is a language with endless dialects each unique intricate and profound It is a language spoken fluently only by the heart that tender yet resilient part of us that dares to feel deeply to dream boldly and to connect with others in ways the mind cannot comprehend The heart has an innate ability to translate and understand these emotions crafting stories of connection and meaning that transcend the barriers of logic Meanwhile the mind remains an outsider to this realm a stranger attempting to decipher a script it cannot read But what happens when the mind driven by its unrelenting need for control tries to speak the language of the heart What happens when it dictates the terms of love reshaping its essence through the cold lens of reason Will it preserve the beauty of love or will it lose its essence altogether This story centers around a brilliant determined lawyer a woman whose intellect and ambition are unmatched whose sharp mind has been her

guiding star in a world that demands strength and resilience Her dedication to her craft has earned her a reputation as one of the best in her field When she takes on a new high stakes case it seems like just another professional challenge to conquer Yet as she delves deeper into the complexities of her case she finds herself confronting something far more personal and profound a battle between her mind and her heart [Burn](#) Natalia Jaster,2023-09-28 **Love Will Be Enough For Us** Hannah Winstone,2021-07-14 **Shadowplex** LAUREN.
